This bid for the trade of specified new or used firearms and accessories is valid for 60 days and is contingent on delivery to G T Distributors. After receipt of the new firearms GT expects the agency to have the trade in firearms shipped in 30 days. The seller understands trade-in firearms must be in working condition and shipped with the specified number of magazines. Any missing, aftermarket, or non-standard capacity magazines will have an \$18 deduction on Glock magazines and \$25 deduction on all other manufacturer magazines. Non-functioning, miss-represented firearms and those with missing parts will incur a minimum of a 25% decrease in value per firearm. Pricing is contingent on each firearm being individually wrapped or boxed. GT will reduce the price by a minimum of \$20 for each firearm not properly packed/wrapped that are damaged in transit. Any trade firearm(s) found to have live ammunition in the chamber, magazine(s) or box will not be eligible for buyback and the trade credit for that firearm(s) will be zero. Used shotguns & rifles must meet BATF minimum length requirements and those not meeting those requirements will be returned to the agency with no credit given.
