The “Subgrantee” is also known as the “H-GAC” and “prospective lower tier participant”. The Subcontractor is the local government entity contracted to perform the duties outlined in the scope of work of this agreement.

ARTICLE 1. COMPLIANCE WITH LAWS

The Subcontractor shall comply with all federal, state, and local laws, statutes, codes, ordinances, rules and regulations, and the orders and decrees of any courts or administrative bodies or tribunals in any matter affecting the performance of this agreement, including, without limitation, workers' compensation laws, minimum and maximum salary and wage statutes and regulations, nondiscrimination laws and regulations, and licensing laws and regulations. When required, the Subcontractor shall furnish the H-GAC and/or the Texas Department of Transportation (Department) with satisfactory proof of compliance.

ARTICLE 2. STANDARD ASSURANCES

The Subcontractor assures and certifies that it will comply with the regulations, policies, guidelines, and requirements, including 2 CFR, Part 200; and the TXDoT's Traffic Safety Program Manual, as they relate to the application, acceptance, and use of federal or state funds for this project. Also, the Subcontractor assures and certifies that:

- A. It possesses legal authority to apply for the grant; and that a resolution, motion, or similar action has been duly adopted or passed as an official act of the applicant's governing body, authorizing the filing of the application, including all understandings and assurances contained in the application, and directing and authorizing the person identified as the official representative of the applicant to act in connection with the application and to provide any additional information that may be required.

- B. It and its contractors will comply with Title VI of the Civil Rights Act of 1964 (Public Law 88-352), as amended, and in accordance with that Act, no person shall discriminate, on the grounds of race, color, sex, national origin, age, religion, or disability.
- C. It will comply with requirements of the provisions of the Uniform Relocation Assistance and Real Property Acquisitions Act of 1970, as amended; 42 USC (United States Code) §§4601 et seq.; and United States Department of Transportation (USDOT) regulations, "Uniform Relocation and Real Property Acquisition for Federal and Federally Assisted Programs," 49 CFR, Part 24, which provide for fair and equitable treatment of persons displaced as a result of federal and federally assisted programs.
- D. It will comply with political activity (Hatch Act) (applies to subrecipients as well as States). The State will comply with provisions of the Hatch Act (5 U.S.C. 1501-1508) which limits the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.
- E. It will comply with the federal Fair Labor Standards Act's minimum wage and overtime requirements for employees performing project work.
- F. It will establish safeguards to prohibit employees from using their positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business, or other ties.
- G. It will give the H-GAC and TXDoT the access to and the right to examine all records, books, papers, or documents related to this Grant Agreement.
- H. It will comply with all requirements imposed by the H-GAC and TXDoT concerning special requirements of law, program requirements, and other administrative requirements.
- I. It recognizes that many federal and state laws imposing environmental and resource conservation requirements may apply to this Grant Agreement. Some, but not all, of the major federal laws that may affect the project include: the National Environmental Policy Act of 1969, as amended, 42 USC §§4321 et seq.; the Clean Air Act, as amended, 42 USC §§7401 et seq. and sections of 29 USC; the Federal Water Pollution Control Act, as amended, 33 USC §§1251 et seq.; the Resource Conservation and Recovery Act, as amended, 42 USC §§6901 et seq.; and the Comprehensive Environmental Response, Compensation, and Liability Act, as amended, 42 USC §§9601 et seq. The Subcontractor also recognizes that the U.S. Environmental Protection Agency, USDOT, and other federal agencies have issued, and in the future, are expected to issue, regulations, guidelines, standards, orders, directives, or other requirements that may affect this Project. Thus, it agrees to comply, and assures the compliance of each contractor and each Subcontractor, with any federal requirements that the federal government may now or in the future promulgate.
- J. It will comply with the flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973, 42 USC §4012a(a). Section 102(a) requires, on and after

March 2, 1975, the purchase of flood insurance in communities where that insurance is available as a condition for the receipt of any federal financial assistance for construction or acquisition purposes for use in any area that has been identified by the Secretary of the Department of Housing and Urban Development as an area having special flood hazards. The phrase "federal financial assistance" includes any form of loan, grant, guaranty, insurance payment, rebate, subsidy, disaster assistance loan or grant, or any form of direct or indirect federal assistance.

- K. It will assist the H-GAC and TXDoT in its compliance with Section 106 of the National Historic Preservation Act of 1966 as amended (16 USC 470 et seq.), Executive Order 11593, and the Antiquities Code of Texas (National Resources Code, Chapter 191).
- L. It will comply with Chapter 573 of the Texas Government Code by ensuring that no officer, employee, or member of the Subcontractor's governing board or the Subcontractor's subcontractors shall vote or confirm the employment of any person related within the second degree of affinity or third degree by consanguinity to any member of the governing body or to any other officer or employee authorized to employ or supervise that person. - N. If applicable, it will comply with Chapter 551 of the Texas Government Code, which requires all regular, special, or called meetings of governmental bodies to be open to the public, except as otherwise provided by law or specifically permitted in the Texas Constitution.

ARTICLE 3. COMPENSATION

- A. The method of payment for this agreement will be based on actual costs incurred up to and not to exceed the limits specified in the Project Budget. The amount included in a Project Budget category will be deemed to be an estimate only and a higher amount can be reimbursed, subject to the conditions specified in paragraph B of this Article. If the Project Budget specifies that costs are based on a specific rate, per-unit cost, or other method of payment, reimbursement will be based on the specified method.
- B. All payments will be made in accordance with the Project Budget.
 - 1. The Subcontractor's expenditures may overrun a budget category (I, II, or III) in the approved Project Budget without a grant (budget) amendment, as long as the overrun does not exceed a total of five (5) percent of the maximum amount eligible for reimbursement from TxDOT in the attached Project Budget for the current fiscal year. This overrun must be off-set by an equivalent underrun elsewhere in the Project Budget.

2. If the overrun is five (5) percent or less, the Subcontractor must provide written notification to the H-GAC, prior to the Request for Reimbursement being approved. The notification must indicate the amount, the percent over, and the specific reason(s) for the overrun.
 3. Any overrun of more than five (5) percent of the amount eligible for reimbursement from TxDOT in the attached Project Budget requires an amendment of this Grant Agreement.
 4. The maximum amount eligible for reimbursement shall not be increased above the Grand Total from the TxDOT Amount in the approved Project Budget, unless this Grant Agreement is amended, as described in Article 5 of this agreement.
 5. For Selective Traffic Enforcement Program (STEP) grants only: In the Project Budget, Subcontractor is not allowed to use underrun funds from the TxDOT amount of (100) Salaries, Subcategories A, "Enforcement," or B, "PI&E Activities," to exceed the TxDOT amount listed in Subcategory C, "Other." Also, Subcontractor is not allowed to use underrun funds from the TxDOT amount of (100) Salaries, Subcategories A, "Enforcement," or C, "Other," to exceed the TxDOT amount listed in Subcategory B, "PI&E Activities." The TxDOT amount for Subcategory B, "PI&E Activities," or C, "Other," can only be exceeded within the five (5) percent flexibility, with underrun funds from Budget Categories II or III.
- C. To be eligible for reimbursement under this agreement, a cost must be incurred in accordance with the Project Budget, within the time frame specified in the Grant Period of this Grant Agreement, attributable to work covered by this agreement, and which has been completed in a manner satisfactory and acceptable to the H-GAC.
- D. Federal or TxDOT funds cannot supplant (replace) funds from any other sources. The term "supplanting," refers to the use of federal or TxDOT funds to support personnel or an activity already supported by local or state funds.
- E. Payment of costs incurred under this agreement is further governed by the cost principles outlined in 2 CFR Part 200.
- F. The Subcontractor agrees to submit monthly Requests for Reimbursement, as designated in this Grant Agreement, within thirty (30) days after the end of the billing period. The Request for Reimbursement and appropriate supporting documentation must be submitted to H-GAC electronically utilizing H-GAC approved form documents.
- G. The Subcontractor agrees to submit the final Request for Reimbursement under this agreement within thirty (30) days of the end of the grant period.
- H. Payments are contingent upon the availability of appropriated funds.
- I. Project agreements supported with federal or TxDOT funds are limited to the length of this Grant Period specified in this Grant Agreement. If the H-GAC determines that the project has demonstrated merit or has potential long-range benefits, the Subcontractor may apply

for funding assistance beyond the initial agreement period.

Preference for funding will be given to projects based on (1) proposed cost sharing and (2) demonstrated performance history.

ARTICLE 4. LIMITATION OF LIABILITY

Payment of costs incurred under this agreement is contingent upon the availability of funds. If at any time during this Grant Period, the H-GAC determines that there is insufficient funding to continue the project, the H-GAC shall notify the Subcontractor, giving notice of intent to terminate this agreement, as specified in Article 11 of this agreement. If at the end of a federal fiscal year, the H-GAC determines that there is sufficient funding and performance to continue the project, the H-GAC may notify the Subcontractor to continue this agreement.

ARTICLE 5. AMENDMENTS

This agreement may be amended prior to its expiration by mutual written consent of both parties. Any amendment must be executed by the parties within the Grant Period, as specified in this Grant Agreement.

ARTICLE 6. ADDITIONAL WORK AND CHANGES IN WORK

- A. If the Subcontractor is of the opinion that any assigned work is beyond the scope of this agreement and constitutes additional work, the Subcontractor shall promptly notify the H-GAC in writing. If the H-GAC finds that such work does constitute additional work, the H-GAC shall advise the Subcontractor and a written amendment to this agreement will be executed according to Article 5, Amendments, to provide compensation for doing this work on the same basis as the original work. If performance of the additional work will cause the maximum amount payable to be exceeded, the work will not be performed before a written grant amendment is executed.
- B. If the Subcontractor has submitted work in accordance with the terms of this agreement but the H-GAC requests changes to the completed work or parts of the work which involve changes to the original scope of services or character of work under this agreement, the Subcontractor shall make those revisions as requested and directed by the H-GAC. This will be considered as additional work and will be paid for as specified in this Article.
- C. If the Subcontractor submits work that does not comply with the terms of this agreement, the H-GAC shall instruct the Subcontractor to make any revisions that are necessary to bring the work into compliance with this agreement. No additional compensation shall be paid for this work.
- D. The Subcontractor shall make revisions to the work authorized in this agreement that are necessary to correct errors or omissions, when required to do so by the H-GAC. No additional compensation shall be paid for this work.

- E. The H-GAC shall not be responsible for actions by the Subcontractor or any costs incurred by the Subcontractor relating to additional work not directly associated with or prior to the execution of an amendment.

ARTICLE 7. REPORTING AND MONITORING

- A. Not later than thirty (30) days after the end of each reporting period, the Subcontractor shall submit a performance report to the H-GAC. Reporting periods vary by project duration and are defined as follows:
 - 1. For short term projects, the reporting period is the duration of the project. Subcontractor shall submit a performance report within 30 days of project completion.
 - 2. For longer projects, the reporting period is monthly. Subcontractor shall submit a performance report within 30 days of the completion of each project month and within 30 days of project completion.
 - 3. For Selective Traffic Enforcement Program (STEP) Wave projects, the reporting period is each billing cycle. Subcontractor shall submit a performance report within 30 days of the completion of each billing cycle.
- B. The performance report will include, as a minimum: (1) a comparison of actual accomplishments to the objectives established for the period, (2) reasons why established objectives and performance measures were not met, if appropriate, and (3) other pertinent information, including, when appropriate, an analysis and explanation of cost underruns, overruns, or high unit costs.
- C. The Subcontractor shall promptly advise the H-GAC in writing, of events that will have a significant impact upon this agreement, including:
 - 1. Problems, delays, or adverse conditions, including a change of project director or other changes in Subcontractor personnel, that will materially affect the ability to attain objectives and performance measures, prevent the meeting of time schedules and objectives, or preclude the attainment of project objectives or performance measures by the established time periods. This disclosure shall be accompanied by a statement of the action taken or contemplated and any H-GAC or federal assistance needed to resolve the situation.
 - 2. Favorable developments or events that enable meeting time schedules and objectives sooner than anticipated or achieving greater performance measure output than originally projected.
- D. The Subcontractor shall submit the Final Performance Report to the H-GAC within fifteen (15) days after completion of the grant.

ARTICLE 8. RECORDS

The Subcontractor agrees to maintain all reports, documents, papers, accounting records, books, and other evidence pertaining to costs incurred and work performed under this agreement (called the "Records"), and shall make the Records available at its office for the time period authorized within the Grant Period, as specified in this Grant Agreement. The Subcontractor further agrees to retain the Records for seven (7) years from the date of final payment under this agreement, until completion of all audits, or until pending litigation has been completely and fully resolved, whichever occurs last.

The records to be thus maintained and retained by the Subcontractor shall include (without limitation): (1) personnel and payroll records, including social security numbers and labor classifications, accounting for total time distribution of the Subcontractor's employees working full or part time on the work, as well as cancelled payroll checks, signed receipts for payroll payments in cash, or other evidence of disbursement of payroll payments; (2) invoices for purchases, receiving and issuing documents, and all other unit inventory records for the Subcontractor's stocks or capital items; and (3) paid invoices and cancelled checks for materials purchased and for ' and any other third parties' charges.

Duly authorized representatives of the H-GAC, TXDoT, the USDOT, the Office of the Inspector General, Texas State Auditor, and the Comptroller General shall have access to the Records. This right of access is not limited to the four (4) year period but shall last as long as the Records are retained.

ARTICLE 9. INDEMNIFICATION

Both parties to this agreement agree, being government entities, that no party is an agent, servant, or employee of the other party and each party agrees it is responsible for its individual acts and deeds, as well as the acts and deeds of its contractors, employees, representatives, and agents.

ARTICLE 10. DISPUTES AND REMEDIES

This agreement supersedes any prior oral or written agreements. If a conflict arises between this agreement and the Traffic Safety Program Manual, this agreement shall govern. The Subcontractor shall be responsible for the settlement of all contractual and administrative issues arising out of procurement made by the Subcontractor in support of work under this agreement. Disputes concerning performance or payment shall be submitted to the H-GAC for settlement, with the Executive Director or his or her designee making the final decision.

ARTICLE 11. TERMINATION

A. This agreement shall remain in effect until the Subcontractor has satisfactorily completed all services and obligations described in this agreement and these have been accepted by the H-GAC, unless:

1. This agreement is terminated in writing with the mutual consent of both parties; or

2. There is a written thirty (30) day notice by either party; or
 3. The H-GAC determines that the performance of the project is not in the best interest of the H-GAC and informs the Subcontractor that the project is terminated immediately.
- B. The H-GAC shall compensate the Subcontractor for only those eligible expenses incurred during the Grant Period specified in this Grant Agreement that are directly attributable to the completed portion of the work covered by this agreement, provided that the work has been completed in a manner satisfactory and acceptable to the H-GAC. The Subcontractor shall not incur nor be reimbursed for any new obligations after the effective date of termination.

ARTICLE 12. INSPECTION OF WORK

- A. The H-GAC, the TXDoT and, when federal funds are involved, the USDOT, or any of their authorized representatives, have the right at all reasonable times to inspect or otherwise evaluate the work performed or being performed under this agreement and the premises in which it is being performed.
- B. If any inspection or evaluation is made on the premises of the Subcontractor or its Subcontractor, the Subcontractor shall provide and require its Subcontractor to provide all reasonable facilities and assistance for the safety and convenience of the inspectors in the performance of their duties. All inspections and evaluations shall be performed in a manner that will not unduly delay the work.

ARTICLE 13. AUDIT

The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under this agreement or indirectly through a subcontract under this agreement. Acceptance of funds directly under this agreement or indirectly through a subcontract under this agreement acts as acceptance of the authority of the State Auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. An entity that is the subject of an audit or investigation must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit.

ARTICLE 14. SUBCONTRACTS

A subcontract in excess of ,000 may not be executed by the Subcontractor without prior written concurrence by the H-GAC. Subcontracts in excess of ,000 shall contain all applicable terms and conditions of this agreement. No subcontract will relieve the Subcontractor of its responsibility under this agreement.

The only exceptions allowed are ordinary business lunches and items that have received the advanced written approval of the TXDoT's Executive Director.
- B. Any person doing business with or who reasonably speaking may do business with the TXDoT under this agreement may not make any offer of benefits, gifts, or favors to TXDoT employees, except as mentioned here above. Failure on the part of the Subcontractor to adhere to this policy may result in termination of this agreement.

ARTICLE 16. NONCOLLUSION

The Subcontractor warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Subcontractor, to solicit or secure this agreement, and that it has not paid or agreed to pay any company or person, other than a bona fide employee, any fee, commission, percentage, brokerage fee, gift, or any other consideration contingent upon or resulting from the award or making of this agreement. If the Subcontractor breaches or violates this warranty, the H-GAC or the TXDoT shall have the right to annul this agreement without liability or, in its discretion, to deduct from the agreement price or consideration, or otherwise recover the full amount of such fee, commission, brokerage fee, contingent fee, or gift.

ARTICLE 17. CONFLICT OF INTEREST

The Subcontractor represents that it or its employees have no conflict of interest that would in any way interfere with its or its employees' performance or which in any way conflicts with the interests of the H-GAC or the TXDoT. ARTICLE 20. OWNERSHIP OF DOCUMENTS AND INTELLECTUAL PROPERTY

Upon completion or termination of this Grant Agreement, whether for cause or at the convenience of the parties, all finished or unfinished documents, data, studies, surveys, reports, maps, drawings, models, photographs, etc. prepared by the Subcontractor, and equipment and supplies purchased with grant funds shall, at the option of the TXDoT, become the property of the TXDoT. All sketches, photographs, calculations, and other data prepared under this agreement shall be made available, upon request, to the TXDoT without restriction or limitation of their further use.

- A. Intellectual property consists of copyrights, patents, and any other form of intellectual property rights covering any databases, software, inventions, training manuals, systems design, or other proprietary information in any form or medium.

Instructions for Primary Certification

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the TXDoT, the H-GAC or agency may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the H-GAC, the TXDoT or agency to which this proposal is submitted if at any time the prospective primary participant learns its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
