Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

The City of Sugar Land, Texas, is in Fort Bend County to the southwest of the City of Houston. With a 2010 census population of 78,817 and a 2015 American Communities Survey population of 88,129, Sugar Land is a fast-growing suburban community that operates as a self-contained economic center and is an integral part of the Houston Metropolitan area. The City of Sugar Land's official population estimate as of January 1, 2018 is 117,869. A significant increase since January 1, 2017 as a result of a recent annexation.

The Community Development Block Grant (CDBG) program is aimed at serving low to moderate income residents – those with incomes of 80 percent or less of the area's median household income. In addition to serving low to moderate income individuals throughout the City, the U.S. Department of Housing and Urban Development places a priority on serving neighborhoods with a predominance of low-moderate income residents. According to the 2010 Census information by block group, 24,540 people or 31 percent of the population resided in current CDBG-designated neighborhoods, or Target Areas. Of these, 8,425 individuals were low to moderate income. Overall, 17.3 percent of the City's population is low to moderate income. Since the Target Areas generally represent older neighborhoods with little to no new development, the total population in them has not increased significantly.

The Program Year 2014-2018 Consolidated Plan is a strategic planning document that summarizes the City's proposed goals, performance outcome objectives, and implementation strategies for each of the identified community needs. Each year during the five-year period covered in the Consolidated Plan, the City of Sugar Land evaluates, and funds accordingly, projects selected to meet the goals and objectives identified in the Plan. The Program Year 2018 Annual Action Plan contains goals, performance outcome objectives, and implementation strategies for using Community Development Block Grant (CDBG) funding.

2. Summarize the objectives and outcomes identified in the Plan

The Community Development Block Grant program has a priority of inclusion in the planning and implementation process. Therefore, the City of Sugar Land regularly consults with residents, agencies that are CDBG subrecipients, other local service and housing providers, neighboring CDBG Entitlement Jurisdictions, and county, regional and state agencies. The City also works directly with the Homeowner's Associations (HOAs) in Sugar Land to receive direct input from residents. Additionally, during the annual monitoring of public service and housing rehabilitation providers, the City requests input into the planning process and solicits names and contact information for residents who may have complaints or information that has previously been unvoiced.

The City of Sugar Land will continue to encourage citizen participation, with emphasis on participation by persons of very-low, low, and moderate income that are eligible for CDBG-funded services and residents of CDBG Target Areas in which funds can be expended. All CDBG-related documents, including the Consolidated Plan, Annual Action Plans, the Analysis of Impediment and Fair Housing Plan, the annual CAPERs (Consolidated Annual Performance and Evaluation Report), information gathered from public meetings/hearings, measurable achievements and subrecipient monitoring results are available to the public for review at any time. This availability is announced at all public meetings and hearings.

Listed in the table below is a summary of the community needs and priorities that have been identified for the upcoming year. The priorities detailed within the table vary by activity and are based on several factors:

- Level of available CDBG funding against program cost
- Location of need for area-based projects (within CDBG Target Area)
- Level of physical need described in the City's Capital Improvements Plan for public facilities and infrastructure
- Number of households or people in need based on Census, State and local data from a variety of sources
- Level of need described in applications for subrecipient funding and numbers served by subrecipients in the past
- Availability and capacity of agencies to address the need if funded

Matrix Code	Activity	Program Year 2014-2018 Objectives	Priority (H, M, L)
Public Facilities and Improvements			
03F	Park Improvements	Improvements to 2 parks	H
Public Services			
05A	Senior Services	200 seniors receive services	H
05B	Handicapped Services	25 disabled persons receive services	M
05H	Employment Training	400 low-mod income persons	M
Housing			
14A	Single Family Rehab	40 homes are rehabilitated	M
Administration			
21A Administration	CDBG Program Administration	Annual administrative management of CDBG funds	H

The Annual Action Plan outlines the level of need, the obstacles to meeting the needs and the strategies for addressing the greatest number of needs in the City of Sugar Land.

3. Evaluation of past performance

Despite the limited funding available, the City of Sugar Land has made an impact in the lives of low income persons living within the City. During the 2016 Program Year (PY), the third year in the 2014-2018 Consolidated Plan, the City was able to report in the Consolidated Annual Performance and Evaluation Report (CAPER) the funding of services to assist abused and neglected children, elderly persons, disabled persons, and illiterate adults. Low income residents also received minor home rehabilitation to help the community retain affordable housing options. The total clients served during PY 2014 - PY 2016 include:

- 117 abused and neglected children were provided with advocacy services
- 178 low income adults were provided with General Education Development (GED) and English as a Second Language (ESL) classes
- 127 elderly and disabled persons received hot, frozen and emergency meals

- 26 low income persons were assisted with minor rehabilitation
- 915 low income persons have increased access to park facilities
- 965 low income persons have increased street improvements

Year to date during the 2017 program year, the fourth year in the 2014 – 2018 Consolidated Plan, the City has documented the following total clients served:

- 4 abused and neglected children were provided with court appointed advocacy services
- 47 low income adults were provided with General Education Development (GED) and English as a Second Language (ESL) classes
- 33 elderly and disabled persons received hot, frozen and emergency meals

In addition to services provided using CDBG funding, the City of Sugar Land also funds service programs through the utilization of local dollars. The City of Sugar Land's T.E. Harman Senior Center has a total enrollment exceeding 1,400 clients and serves as a location where seniors can socialize and sign up for activities and field trips, therefore helping to keep seniors active within the community.

4. Summary of Citizen Participation Process and consultation process

The City of Sugar Land is committed to involving all residents in its programs. The City hosts numerous public hearings and public meetings to involve all interested residents. Through various Departments, the City of Sugar Land works directly with multiple groups involved in the community, including the Homeowner's Associations (HOAs), non-profit agencies, civic associations and community groups. The City's staff routinely asks for input into the planning process and solicits names and contact information for residents who may have complaints or information that have previously been unvoiced.

For the 2018 Annual Action Plan, the City of Sugar Land hosted multiple public hearings. The first public hearing was held to garner information from attendees and provide a pre-application workshop for prospective applicant agencies for funding. The public hearing was tied to the 30-day public comment period and gave residents and interested parties an opportunity to publicly voice their opinions of the plans or to have questions regarding the CDBG program and the proposed plans answered. A second public hearing allowed residents an opportunity to provide input as part of City Council's review and approval of the Plan. The public hearings were advertised at City Hall, on the City's website, and in the general-circulation newspaper. Copies of the advertisements have been included as attachments.

The public hearings discussed the CDBG program, the funding process, Fair Housing rights and issues, eligible activities and then opened the floor to comments, concerns, the ranking of issues and recommendations.

In addition, during the plan development, the Environmental & Neighborhood Services Department made a workshop presentation to the City Council, which was open to the public. On June 18, 2018, the City of Sugar Land posted the Annual Action Plan for public comment with notice of the 30-day comment period posted in the general circulation newspaper, the City's website and SLtv. A summary of the City of Sugar Land's 2018 Annual Action Plan was advertised, and the entire Plan was available for review at City Hall and on the City's website. A public hearing was held on June 28, 2018 to receive comments from the public. The draft copy of the Action Plan was sent to various organizations for review and comment at the start of the 30-day comment period. On August 7, 2018, the Environmental & Neighborhood Services Department will present an Action Item to the City Council for the approval of the PY 2018 Annual Action Plan.

The City of Sugar Land will continue to encourage citizen participation, with emphasis on participation by persons of very-low, low, and moderate income that are eligible for CDBG-funded services and residents of CDBG Target Areas in which funds can be utilized. A concerted effort will be made to encourage citizen participation through the nonprofit organizations also serving low income persons. The City works directly with these nonprofits to offer information and gather input from clients directly benefiting from the program.

All CDBG-related documents, including the Consolidated Plan, Annual Action Plans, the Analysis of Impediment and Fair Housing Plan, the annual CAPER (Consolidated Annual Performance and Evaluation Report), information gathered from public meetings/hearings, measurable achievements and subrecipient monitoring results are available to the public for review at any time. This availability is announced at all public meetings and hearings.

5. Summary of public comments

The City of Sugar Land solicited public comments through various outreach methods, including personal contact, newspaper publication, online notification and municipal television. The City of Sugar Land's Citizen Participation Plan outlines the criteria the jurisdiction will use for receiving public input, notification of awards and determining what changes constitute a substantial amendment to the Consolidated Plan and Annual Action Plan. These substantial amendments are subject to the Citizen Participation process. Substantial amendments to the Consolidated Plan will include changes such as downgrading or upgrading of priorities; the addition or removal of priorities; or changing of the citizen participation planning process. Substantial amendments to the Annual Action Plan will include any change in the activities that

will necessitate a reallocation of at least 20 percent of an activity's funding allocation; commencement of an activity not previously outlined in the plan; or cancellation of an activity previously outlined in the plan.

6. Summary of comments or views not accepted and the reasons for not accepting them

No comments were received regarding the Program Year 2018 Annual Action Plan.

7. Summary

The Program Year 2018 Annual Action Plan represents the City of Sugar Land's plan to ensure an improved quality of life for its low and moderate-income residents. The primary objective of the City of Sugar Land's CDBG program is the development of a viable urban community through the establishment of decent housing, a suitable living environment, and economic opportunities primarily for low and moderate-income persons. These objectives are achieved through a comprehensive approach to program implementation focused on infrastructure, public services, and housing rehabilitation projects throughout the community.

The City of Sugar Land's mission is to ensure that all areas of the City have comparable city services and infrastructure and that all residents have equal access to programs. The City aims to be a place where residents of all income levels and situations can enjoy all stages of their lives. The Plan identifies needs and establishes a strategic plan for meeting those needs. The Plan will serve as a guide for decision makers in creating strategies that address the provision of adequate streets, sidewalks, parks and green spaces, community facilities, and quality public services for persons living in low-income communities.

The Environmental & Neighborhood Services Department serves as the contact for the Annual Action Plan and public comments related to the Plan. Staff can be reached at (281) 275-2170, communitydevelopment@sugarlandtx.gov, or at P.O. Box 110, Sugar Land, Texas 77487-0110.

AP-10 Consultation – 91.100, 91.200(b), 91.215(I)

1. Introduction

The City annually conducts public outreach during the development of the annual action plan to receive input from the citizens of Sugar Land and the agencies that serve them. The City also consults on a regular basis with those housing and social service agencies that are subrecipients of CDBG funding.

Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

While the City of Sugar Land does not have any public or assisted housing within its city limits, efforts were made during the development of the PY2018 Annual Action Plan to reach out to providers of affordable housing, health, mental health and public services to enhance planning and coordination throughout the City of Sugar Land and greater Fort Bend County. Providers of affordable housing, such as Fort Bend CORPS, provided input to better understand the limitations when working to develop and provide quality affordable housing within the City of Sugar Land. The City recognizes that the cost of housing is a barrier to many families and through its partnership with housing providers has worked to conserve existing affordable housing within the community.

Providers of health, mental health and public services also participated in surveys and public meetings during the development of the PY2014-2018 Consolidated Plan to coordinate services to youth, seniors, disabled persons, homeless, and other populations in need. Providers included AccessHealth, Child Advocates of Fort Bend, Fort Bend Seniors, Literacy Council of Fort Bend, Fort Bend County Women’s Center, and many more agencies serving the community. Additional consultation from individuals, Homeowners Associations, and City Departments were completed through the use of a survey distributed by email, posted on the city’s website and Facebook page, and distributed at community centers. The coordinated efforts and combined feedback received from meetings and surveys assisted with the identification of community needs throughout the City.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

Though little documentation is available about the homeless population immediately within the City of Sugar Land, city staff works with Continuum of Care participants to coordinate efforts to address the needs of homeless persons. Staff also consults with providers of health, mental health and service agencies, in addition to the Sugar Land Police Department and the Fort Bend ISD and Lamar Consolidated ISD Homeless Coordinators to better assess the community need.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The City of Sugar Land falls within the Houston/Harris/Ft. Bend County Continuum of Care structure, which is led by the Coalition for the Homeless of Houston/Harris County and includes Houston as well as Harris and Fort Bend counties. As Sugar Land does not receive an allocation of ESG funding, there are limitations in the services available to the homeless population. Nevertheless, the City and its departments are attentive to the needs of individuals and families experiencing homelessness.

2. Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdiction's consultations with housing, social service agencies and other entities

As part of the Citizen Participation Plan and the development of the PY 2018 Annual Action Plan, organizations representing a variety of service providers are given an opportunity to provide input regarding their individual experiences serving clients within the City of Sugar Land. The draft copy of the Action Plan was sent to various organizations for review and comment at the start of the 30-day

comment period. Agencies to be contacted through this process include:

Sort	Agency/Group /Organization	Agency/Group/ Organization Type	What section of the Plan was addressed by Consultation?	How the Agency/ Group/ Organization was consulted
1	Child Advocates	Services - Children	Anti-poverty Strategy	Improved coordination of programs for abused children in Fort Bend County.
2	Fort Bend CORPS	Housing	Housing Need Assessment	Improved coordination of affordable housing in Fort Bend County.
3	Fort Bend County	Other Government - Local	Anti-poverty Strategy	Ongoing coordination of anti-poverty programs in Fort Bend County.
4	Literacy Council of Fort Bend County	Services - Education	Anti-poverty Strategy	Improved coordination of programs for illiterate adults in Fort Bend County.
5	Fort Bend Independent School District	Other Government - Local	Homelessness Strategy	Ongoing coordination of homeless services in Fort Bend County.
6	Lamar Consolidated Independent School District	Other Government – Local	Homeless Strategy	Ongoing coordination of homeless services in Fort Bend County
7	Fort Bend Seniors Meals on Wheels	Services – Elderly Person	Anti-poverty Strategy	Better coordination of elderly services in Fort Bend County.
8	Sugar Land Parks Dept., T.E. Harman Senior Center	Services – Elderly Person	Anti-poverty Strategy	Better coordination of elderly services in Sugar Land.

Table 2 – Agencies, groups, organizations who participated

Identify any Agency Types not consulted and provide rationale for not consulting

In an effort to consult a diverse group of service providers, the City of Sugar Land has reached out to agencies that provide services to the community's youth, elderly, homeless, and disabled as well as agencies that provide assistance with housing and healthcare.

Unlike the City of Houston and Harris County, the City of Sugar Land has substantially fewer agencies providing services. Many services are only offered in more metropolitan areas of the region. While this could serve as a limitation, increased efforts were made to consult with surrounding agencies during development of the 2014-2018 Consolidated Plan and 2018 Annual Action Plan.

Narrative (optional)

AP-12 Participation – 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting

The City of Sugar Land understands the importance of ensuring the participation and input of citizens, businesses, nonprofits, and City Departments in the development of the Annual Action Plan. The Citizen Participation Plan details the process by which the City reached out to enable all citizens to participate in an advisory role in the planning and implementation of the Annual Action Plan.

During the preparation of the Program Year 2018 Annual Action Plan, the City of Sugar Land engaged in a series of public hearings to receive input from the citizens of Sugar Land and the agencies that serve them. These opportunities for public input allowed residents and nonprofit partners to voice concerns regarding the current state of issues such as streets and infrastructure, housing, public spaces, services and mobility. These are issues that affect all residents but can more severely impact the low-income residents of Sugar Land.

The City also consults on a regular basis with those housing and social services agencies that are subrecipients of CDBG funding. These agencies include:

- Fort Bend CORPS that provides housing rehabilitation, energy efficiency improvements, property clean-ups and other housing-related services through CDBG, foundation and private funding as well as volunteer labor. The agency is able to provide a fairly accurate assessment of current housing condition and housing needs.
- Fort Bend County Senior Citizens that provides services and advocacy for the elderly of Fort Bend County, including Sugar Land and provides the City with information regarding the needs of seniors in the community.
- The City of Sugar Land's Senior Citizens Program in the Parks & Recreation Department provides a number of services to ambulatory elderly within the City.
- Child Advocates of Fort Bend, along with the area's Child Protective Services office, that provide information regarding abused, neglected and endangered children.

- Literacy Council of Fort Bend County is able to provide information about the needs of immigrant populations in Sugar Land –primarily Hispanic, Vietnamese, Chinese and Cambodian as well as the literacy needs of the entire community – English as a Second Language and Adult Reading needs.

In addition to those agencies funded through the CDBG program, the City of Sugar Land consulted with other agencies with insights into local and regional conditions. These agencies include the Coalition for the Homeless of Houston/Harris County to provide the most current information regarding the needs of the homeless in Sugar Land.

The City of Sugar Land continues to attempt to broaden public participation in the development of the Annual Action Plan. The combination of the various forms of outreach allowed for the inclusive nature in the preparation of the Annual Action Plan.

Expected Resources

AP-15 Expected Resources – 91.220(c) (1, 2)

Introduction

As an entitlement city, the City of Sugar Land is a recipient of CDBG funding annually. Funding allocations are limited and must be coupled with local dollars to leverage greater resources and extend the assistance available for low income families.

Priority Table

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Remainder of ConPlan \$	Narrative Description
			Annual Allocation: \$	Program Income: \$	Prior Year Resources: \$	Total: \$		
CDBG	Federal	Public Services, Public Improvements, Housing, Admin and Planning	\$331,872	N/A	N/A	\$331,872	\$331,872	Funds will be used according to the noted priorities to include public services, public facilities and infrastructure, housing rehabilitation, and administration.

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

CDBG funding does not specifically set match requirements; however, the City of Sugar Land works to leverage substantial dollars to extend the services available to low and moderate-income persons. Public service agencies and subrecipients funded with CDBG dollars are also asked to contribute other resources towards the funded activities.

Due to the small amount of funding received each year, none of the prioritized activities are solely funded with federal dollars. Through their independent fundraising, which includes state, foundation and private dollars, subrecipients anticipate leveraging approximately \$3.14 million towards services for residents during the 2018 Program Year. The City of Sugar Land also contributes local dollars towards program administration, public facilities and infrastructure improvements, including staff time and expertise, which is proposed to total over \$75,000 for the 2018 Program Year.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

All the proposed improvements to Mayfield Park/The Hill (CT/BG 672200-2) will be completed on publicly owned land for the benefit of the community. The park improvements will be completed to increase amenities and accessibility.

Discussion

The City of Sugar Land is committed to combining resources and leveraging public and private funds to ensure the sustainability of low and moderate-income neighborhoods and residents throughout the City.

Table 6 – Goals Summary

Goal Descriptions

During Program Year 2018, the City of Sugar Land will focus efforts on public services, housing rehabilitation and public improvements. Public services include services to seniors, disabled residents, and persons with limited English proficiency. One public improvement and one housing project are also included.

Sort Order	Goal Name and Goal Description
1	Construction of Mayfield Park Improvements
	Mayfield Park improvements will include the construction of a restroom building.
2	Meals on Wheels
	Fort Bend Seniors Meals on Wheels Program will provide home-delivered meals to low and moderate income senior citizens and/or disabled persons within the City.
3	Literacy Tutoring
	The Literacy Council of Fort Bend County will utilize CDBG funding to carry out literacy programs for Sugar Land clients and also provide GED prep courses for those clients interested in completing the program.
4	Hope for Three Family Assistance
	Assists families impacted with autism spectrum disorder (ASD) by providing financial aid so children have access to services and support.
5	Home Rehabilitation Program
	The Fort Bend CORPS will utilize CDBG funding to conduct minor housing rehabilitation to homes owned and occupied by low to moderate income families.
6	CDBG Program Administration
	The City of Sugar Land will utilize CDBG funding to provide administrative services to deliver the CDBG program successfully and in full compliance with all HUD and federal regulations.

Table 7 – Goal Descriptions

Estimate the number of extremely low-income, low-income, and moderate-income families to whom the jurisdiction will provide affordable housing as defined by HOME 91.215(b):

Each year, the City of Sugar Land assists approximately 8 families with minor housing rehabilitation to help ensure sustained housing affordability. This past year, 75 percent of the families assisted were extremely low-income while the other 25 percent were moderate-income families.

AP-35 Projects – 91.220(d)

Introduction

During Program Year 2018, the City of Sugar Land will focus efforts on public services, housing rehabilitation and public improvements. Overall, a total of six projects will be funded with the anticipated allocation of \$331,872.

1	Construction of Mayfield Park Improvements
2	Meals on Wheels
3	Literacy Tutoring
4	Hope for Three
5	Home Rehabilitation Program
6	CDBG Program Administration

Table 8 – Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

Allocation priorities have been determined to reflect several factors, including level of need, level of available funding, and capacity of local agencies.

Funding priorities are foremost reflective of the community's need. Both through input from residents and meetings with service providers, the City was able to better assess need.

With limited funds coupled with a 15% cap on the funding of public services, only a limited number of projects can receive funding each year.

The availability of local agencies with the capacity to provide services and expend federal funds is one obstacle to addressing underserved needs. A limited number of agencies provide housing and services to homeless populations, services to youth, transportation services, and health services to Sugar Land residents.

Table 9 – Project Summary

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

The vast majority of projects proposed during Program Year 2018 will serve residents throughout the City of Sugar Land.

Public services and housing rehabilitation are intended to serve individuals and families in need regardless of their geographic location. While each client is asked to provide their address, the process is intended to verify residence rather than to target services in any particular geographic area.

The construction of Mayfield Park Improvements will be the only project that focuses on a specific geographic location. Improvements are proposed within the Mayfield Park/The Hill Target Area within Census Tract/Block Group 672200-2.

Geographic Distribution

Target Area	Percentage of Funds
Mayfield Park/The Hill	38%

Table 10 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

The City of Sugar Land has an exception to the 51 percent rule for low-moderate income and uses the HUD established qualifying criteria allowing areas with 25.39 percent or greater low-moderate income. The Mayfield Park/The Hill Target Area meets this criterion and is made up of 37.16% low and moderate-income persons who are primarily concentrated within a few blocks.

Discussion

Poverty and the services needed to address poverty in Sugar Land are disbursed throughout the City. With the exception of one project, that will target Mayfield Park/The Hill, the remaining five projects will serve low income individuals and families throughout the City.

Affordable Housing

AP-55 Affordable Housing – 91.220(g)

Introduction

While the City of Sugar Land is not a recipient of Federal HOME funding, the City allocates at least 25% of its annual CDBG allocation each year toward housing activities. Due to this smaller allocation towards housing each year, the City is mostly able to focus efforts on the rehabilitation of existing units.

Table 12 - One Year Goals for Affordable Housing by Support Type

Discussion

The funding of housing rehabilitation each year is intended to assist low and moderate-income families remain in their homes. Over half of families assisted are elderly and disabled and often are in need of modifications to their homes to allow for greater accessibility. Elderly and disabled persons are also usually on a fixed income and have limited resources to invest into the repair of their home. These vulnerable populations are in greatest need for housing assistance.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The City of Sugar Land will focus much of its efforts during Program Year 2018 on special needs populations by funding assistance to the elderly and disabled adults/children. Services will assist the special needs population with food, supportive services, and housing repairs.

In the past, the City has provided funding to a homeless service provider for assistance to homeless victims of domestic violence. Unfortunately, the difficulties in complying with federal funding requirements have led to a lack of interested homeless providers. The lack of qualified and interested service providers restricts the amount of services available to the community.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Through the funding of minor housing rehabilitation, the City is working to enable low income persons, particularly elderly and disabled persons, to remain in their homes and avoid homelessness. Repairs such as new roofing, plumbing, and accessibility improvements, if not made, can result in life safety concerns that can make a home uninhabitable.

Though the City of Sugar Land will not have an opportunity to fund the current needs of homeless persons, local service providers are working to address the needs of homeless persons.

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

In addition to assistance provided by local churches, three homeless service providers serve Fort Bend County. The agencies focus their efforts on three specific target populations, including homeless families, victims of domestic violence, and homeless youth ages 7-17. As part of the development of the Program Year 2014-2018 Consolidated Plan, Sugar Land reached out to each of the agencies, including Fort Bend Family Promise, the Fort Bend County Women's Center, and Parks Youth Ranch to better understand their need for funding. With the development of the Program Year 2018 Annual Action Plan, the City of Sugar Land reached out to these agencies again to understand any changes in funding needs.

The City of Sugar Land will also continue developing its relationship with the Coalition for the Homeless Houston/Harris County, the Sugar Land Police Department, Lamar Consolidated ISD and Fort Bend ISD to reach out to homeless persons to better understand their individual needs. Sugar Land also intends to participate in the efforts to make coordinated intake and

rental assistance available.

Addressing the emergency shelter and transitional housing needs of homeless persons

Though the City of Sugar Land will not have an opportunity to fund the current needs of homeless persons, local service providers are working to address the needs of homeless persons. Each of the three service providers working in Fort Bend County target a specific population, including homeless youth, victims of domestic violence, and homeless families. All three organizations provide emergency shelter, but only Fort Bend Family Promise and the Fort Bend County Women's Center offer assistance with transitional and permanent housing.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

According to the Coalition for the Homeless Houston/Harris County's zip code data, which can overlap in other regions, residents from the Sugar Land area utilized homeless services from service providers. Lamar Consolidated ISD has reported that in the 2017-2018 school year, 315 of the 329 children that received McKinney Vento services in Sugar Land were at one high school, with the balance spread across 4 elementary schools.

To ensure services to families experiencing homelessness, service providers within Fort Bend County work with the Coalition for the Homeless Houston/Harris County to participate in the coordinated intake and referral process. The coordinated intake and referral system has been initiated in Houston and includes other parts of the region, such as Sugar Land.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

To ensure services to families in need of housing, service providers within Fort Bend County work with the Coalition for the Homeless Houston/Harris County to participate in the coordinated intake and referral process. Persons facing homelessness would be referred to the system from Sugar Land to receive services and rental assistance and therefore help stabilize

their lives. The coordinated intake and referral system has been initiated in Houston and includes other parts of the region, such as Sugar Land.

Parks Youth Ranch has recognized the need to provide housing to homeless youth aging out of the foster care system and other youth facilities. The agency is currently working to address this model and will likely be addressing the need at their current location, which is outside of the City of Sugar Land.

Persons being discharged from publicly funded institutions such as the criminal justice system are eligible for reentry services from the facility at which they are being discharged. Program assistance focuses on key factors that include housing, employment, health care, transportation, and financial resources. These efforts are coordinated with local service providers to ensure a complete approach to reentry.

Discussion

It is extremely difficult for the City of Sugar Land to serve the City's homeless population without the assistance of local service providers. Unfortunately, the difficulties in complying with federal funding requirements have led to a lack of interested homeless providers. The lack of qualified and interested service providers restricts the amount of services available to the community. Despite this concern, the City will continue its efforts to collaborate with service providers both in Fort Bend County and in Harris County.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction

The City of Sugar Land does not receive HOME funding and is unable to counter the high cost of developing affordable housing. Additionally, because Sugar Land is an entitlement community, Fort Bend County cannot invest HOME dollars within Sugar Land. For-profit and non-profit developers therefore have little incentive to build affordable housing within the city limits.

The community's perception of affordable housing also serves as a barrier towards the development of affordable housing. While low income housing tax credit (LIHTC) projects have not been proposed in Sugar Land, projects proposed in the immediately surrounding jurisdictions have received some scrutiny. Similar thinking exists within Sugar Land as it relates to affordable housing.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

The City of Sugar Land has worked during the last five years to better inform the community regarding diverse housing options and their benefits. The City of Sugar Land is currently updating its Land Use Plan, which documents the land use policies that guide development within the City. This update has been a multi-phase project that included numerous opportunities for public input. During the Land Use Forum Speaker and Community Discussion Series, approximately 200 community members attended and participated in the six-part speaker series held from January to April 2014. Topics included Housing Choices for a Successful City, which focused on housing choice and the benefits of having a diverse housing stock. Another way the public was able to provide feedback on the Land Use Plan was through public meetings and online town halls. So far there have been three open house-style meetings and several online town halls to receive input from the general public. City Council also created a citizen advisory committee, LUAC, to investigate and consider a variety of issues that influence land use outcomes, participate in community dialogue and education, and consider community values in the development of policy recommendations as part of the Land Use Plan update. The draft Land Use Plan will be reviewed by City Council and considered for adoption this summer and is anticipated to be complete in 2018 with final adoption of the updated Plan.

In addition, the City will continue to provide information about housing choice and fair housing by distributing brochures to the local libraries and subrecipient agencies receiving CDBG funds. This distribution will provide multiple avenues for Sugar Land residents to receive the information.

To ameliorate the barriers to affordable housing during the 2018 Program Year, the City of Sugar Land continues to commit approximately 27% of the City's annual CDBG allocation to fund minor housing rehabilitation. Low income individuals and their families receive assistance for the repair of their home to help retain affordable housing options currently available.

Discussion

Despite the challenges in developing new affordable housing, the City is working to preserve all of its current stock of affordable housing. Restrictions resulting from limited funds are much more difficult to contend with.

In regard to the City of Sugar Land's impediments to fair housing choice, the City will in the upcoming fiscal year continue to address the lack of affordable housing by helping preserve the existing housing stock through the funding of a minor rehabilitation program.

To address the cost of housing, the City anticipates the continuation of one of the lowest tax rates within the Houston metropolitan area. The City of Sugar Land has one of the highest levels of growth rate in the metropolitan area, and the homeownership rate for non-white households is higher than the Houston metropolitan area which reflects the higher levels of equity.

The City will also continue to address language barriers through the funding of entities such as Literacy Council of Fort Bend County who carries out English as a Second Language (ESL) programs and assists residents in acquiring a GED and Literacy Education. These activities help improve the quality of life for low-income City of Sugar Land residents.

In regard to the community's concerns of an insufficient number of rental housing units, the City of Sugar Land is currently updating its Land Use Plan, which documents the land use policies that guide development within the City. The update is anticipated to be complete in 2018 with final adoption of the updated Plan.

Finally, The City of Sugar Land will continue to monitor and provide technical assistance yearly to every subrecipient in Fair Housing and Equal Opportunity.

AP-85 Other Actions – 91.220(k)

Introduction

Actions planned to address obstacles to meeting underserved needs

The largest obstacle to meeting the needs of underserved populations is the limited available funding. The next most concerning obstacle is the lack of qualified and interested service providers. Unfortunately, the difficulties in complying with federal funding requirements have led to a lack of interested homeless providers. The lack of qualified and interested service providers restricts the amount of services available to the community.

To address these obstacles, the City of Sugar Land collaborates internally with its departments and funds strong community organizations focused on assisting underserved populations. In working with the Police Department, Parks Department, Public Works Department and Engineering Department, the Environmental & Neighborhood Services Department can better assess and meet the needs of underserved communities. By continuing to fund well-established community organizations such as Hope for Three, Fort Bend CORPS, Fort Bend Seniors and Literacy Council of Fort Bend County during the 2018 Program Year, the City is able to assist vulnerable populations. Through these collaborative efforts, populations at risk, including abused children, the elderly and disabled persons, receive much needed services.

Actions planned to foster and maintain affordable housing

The City of Sugar Land has worked during the last five years to better inform the community regarding diverse housing options and their benefits. The City of Sugar Land is currently updating its Land Use Plan, which documents the land use policies that guide development within the City. This update has been a multi-phase project that included numerous opportunities for public input. During the Land Use Forum Speaker and Community Discussion Series, approximately 200 community members attended and participated in the six-part speaker series held from January to April 2014. Topics included Housing Choices for a Successful City, which focused on housing choice and the benefits of having a diverse housing stock. Another way the public was able to provide feedback on the Land Use Plan was through public meetings and online town halls. So far there have been three open house-style meetings and several online town halls to receive input from the general public. City Council also created a citizen advisory committee, LUAC, to investigate and consider a variety of issues that influence land use outcomes, participate in community dialogue and education, and consider community values in the development of policy recommendations as part of the Land Use Plan update. The draft Land Use Plan will be reviewed by City Council and considered for adoption this summer

and is anticipated to be complete in 2018 with final adoption of the updated Plan.

To foster and maintain affordable housing during the 2018 Program Year, the City of Sugar Land continues to commit approximately 27% of the City's annual CDBG allocation to fund minor housing rehabilitation. Low income individuals and their families receive assistance for the repair of their home to help retain affordable housing options currently available.

Actions planned to reduce lead-based paint hazards

As part of all funds expended on minor housing rehabilitation, testing for lead based paint is required for all homes built prior to 1978. These measures help identify lead hazards and establish a base for improvements in homes where lead is found to be present. Where necessary, lead is encapsulated to ensure no further risk to occupants of the homes.

Actions planned to reduce the number of poverty-level families

The City of Sugar Land works to ensure that all programs and policies established to support and funded by the CDBG program have a goal of assisting low and moderate-income families to prevent the cycle of poverty. Programs and services are intended to provide families with continued opportunities.

One of the City's goals is to provide GED, ESL and literacy training for low to moderate income persons who are unable to enter the job market due to their inability to effectively communicate. The program will offer the community an opportunity for improved employment options and greater access to community resources. Through this goal, over 50 persons are anticipated to receive assistance during Program Year 2018.

Minor home repair will provide low income families an opportunity to remain in safe and permanent housing. Housing provides families and particularly children an opportunity to stabilize their lives. Minor housing rehabilitation and accessibility modifications help elderly and disabled persons to remain in their homes.

Actions planned to develop institutional structure

During the next year, the City of Sugar Land will continue working to better assess the local need of families experiencing homelessness. The City is working with the Coalition for the Homeless of Houston/Harris County and Fort Bend Independent School District to better understand and coordinate the delivery of services across systems with service providers throughout the greater Houston area.

Actions planned to enhance coordination between public and private housing and social

service agencies

Through its collaborative efforts with the Coalition for the Homeless Houston/Harris County, the City of Sugar Land is working to coordinate efforts between private housing and other service agencies. Local agencies such as the Sugar Land Police Department, Fort Bend ISD, Lamar Consolidated ISD and homeless service providers would identify the needs of homeless persons and work through the Coalition's referral system to receive rental assistance and therefore help stabilize their lives.

Discussion

In managing the constraints posed by limited funding and lack of interest by service providers, the City of Sugar Land is in a position where it must better leverage its relationships with partner agencies.

Skeeters skid on the road

By Bill McCaughey
FOR THE FORT BEND STAR

The Skeeters went 2-4 on their road trip last week, dropping their record to 24-16, 3.5 games behind the Lancaster Barnstormers.

Last Tuesday, the Skeeters began their road trip with a 3-2 win over the Somerset Patriots in 10 innings. Barrett Barnes, Albert Cordero, and Denis Phipps each had two hits, while Konnor Wade allowed two runs on four hits over six innings. Felipe Paulino earned the save by striking out the side in the bottom of the 10th inning.

On Wednesday, the Skeeters dropped a doubleheader to the Patriots, 5-2 and 4-3, the latter game in 12 innings. Anthony Giansanti had a home run in the first game, and Phipps and Kyle Kubitz connected for solo shots in the second game.

On Friday, the Skeeters moved on to Southern Maryland to take on the Blue Crabs but fell 13-5. Giansanti had two hits and Derek Norris slammed a home run for the only Skeeters highlights.

On Saturday, Southern Maryland beat the Skeeters 7-6. The Skeeters jumped to a 3-0 lead in the third inning but couldn't hold it as the Blue Crabs scored three runs in the bottom of the ninth to win it. Matt Chavez was 3-5 with a home run and two RBIs. Colin Walsh, Phipps, and Alvaro Rondon each had two hits.

The Skeeters avoided a sweep Sunday by winning

Javier Betancourt led off the 12th inning with a double and scored when the short-stop committed an error on Chavez's ground ball. Betancourt was 2-5 and Chavez had two RBI's. Kraig Sitton pitched the 11th and 12th to

earn the win.

Schedule

This week the Skeeters are at home for a seven-game home stand against the Road Warriors – a league-operated traveling team. On Wednesday, kids under 12 get in free, and Thursday is Thirsty Thursday with \$2 beer and sodas. There will be fireworks after the game on Friday, and a stadium replica will be given away to the first 2,000 fans on Saturday. The home stand ends on Sunday with a pre-game catch on the field and post-game run the bases for kids.

All-star voting

All-star voting is under way through June 30. The 2018 All-Star game will be played at Long Island on July 11. To vote, go to www.AtlanticLeague.com/allstar-voting.

Potential All-Stars are Courtney Hawkins, who leads the league with eight home runs and 33 runs-batted-in. Kubitz is third in the league with six home runs and fourth in the league with 27 RBIs. Matt Chavez is second in the league with a .347 batting average, and Albert Cordero is seventh at .319. Dallas Beeler is second in the league with a 1.97 earned run average, and Felipe Paulino leads the league with 10 saves.

Skeeter of the Week

Javier Betancourt is the Fort Bend Star Skeeter of the Week. Betancourt was 5-13 at the plate for a .385 average.

Stafford to state

The Stafford Spartans are going back to College Station as the 7-on-7 team qualified for the state tournament by defeating El Campo, Brazosport and Tidehaven in the Needville 7-on-7 state qualifying tournament recently. The state tournament will be held June 28-29. (Submitted photo)

Houston has a problem

Houston Astros outfielder Jake Marisnick makes a valiant effort at a catch, but comes up short during the game Thursday at the Texas Rangers. The Astros won the game 5-2 and swept the Rangers in four games. The Astros were 42-25 as of Monday and tied with the Seattle Mariners atop the American League West. (Submitted photo)

Stafford's Smith drafted by San Diego Padres

From staff reports
FOR THE FORT BEND STAR

Dylan Smith, who graduated from Stafford High School just a few weeks ago, made history for the Spartans.

Smith, an 18-year-old Stafford native, was drafted in the 18th round of the Major League Baseball draft by the San Diego Padres. He was selected as a starting pitcher.

"It's a blessing and an honor to be drafted," Smith said.

He became the first Stafford High baseball player to be drafted out of high school and also the highest draft pick among Stafford graduates. In 2000, former Stafford baseball players Brian Steffek and Jason Pekar were drafted out of HBU and University of Houston in the 20th and 30th rounds, respectively.

Smith, who turned 18 on May 28, was only a few days old the last time a Stafford player was

Stafford promotes Montano to head boys basketball coach

From staff reports
FOR THE FORT BEND STAR

Six years ago, David Montano became a head basketball coach for the first time.

In five seasons (2012-17) at La Marque High – a former district opponent of Stafford's located in Galveston County – Montano went 128-59 with two trips to the state semifinals and four district championships.

Last week, Montano was promoted to head basketball coach after one season as an assistant at Stafford. He said he is ready to be a head coach again.

"In addition to basketball, I teach life lessons on being responsible and accountable," Montano said. "We're going to formulate a plan depending on the players we have on the roster. I like to play a lot of post players. A lot of teams have gotten away from that in recent years."

Montano grew up in Donna, Texas, in the Rio Grande Valley, where he played football, basketball and track. He competed in football and track at Texas A&M-Kingsville where he earned both a master's and bachelor's degrees. He also coached both of those sports at A&M-Kingsville.

He made his foray into high school coaching at a pair of schools in South Texas – 2A Premont and 3A Corpus Christi West Oso.

In 2011, an opportunity to coach football, basketball and track at La Marque arose. Montano coached the secondary in football and joined the basketball program as an assistant.

A year later, Montano was promoted to head basketball coach. His team went 26-11 and gave eventual national/state champion Houston Yates all it could handle for three quarters in a regional championship game loss.

Montano then guided La Marque – a program that had just one state semifinal appear-

Notice of Public Hearing
Release for Public Review and Comment
City of Sugar Land
Program Year 2018 Annual Action Plan
For Use of CDBG Funds

A public hearing will be held to give all Sugar Land residents an opportunity to voice opinions on the Program Year (PY) 2018 Annual Action Plan for the use of **HUD Community Development Block Grant (CDBG) funds** and proposed projects for the upcoming program year. We would like to hear your comments on how we should prioritize programs for the coming year and how we plan to spend CDBG funding.

A draft of the PY 2018 Annual Action Plan will be available for public review and comment beginning June 18, 2018 through July 17, 2018. The draft plan may be found on the City website www.sugarlandtx.gov and in the City Secretary Office, City of Sugar Land City Hall, 2700 Town Center Boulevard North, Suite 122, Sugar Land, Texas 77479.

In addition, the City will host a public hearing to further explain the CDBG process and solicit comments and feedback from residents concerning the proposed activities. Comments will be taken into consideration for any changes to the draft plan before submittal to HUD. All attendees are invited to speak on the subject of CDBG at the public hearing on:

Thursday, June 28, 2018
6:00 PM
Imperial Park Recreation Center
234 Matlage Way

**Notice of Public Hearing
Release for Public Review and Comment
City of Sugar Land
Program Year 2018 Annual Action Plan
For Use of CDBG Funds**

A public hearing will be held to give all Sugar Land residents an opportunity to voice opinions on the Program Year (PY) 2018 Annual Action Plan for the use of HUD Community Development Block Grant (CDBG) funds and proposed projects for the upcoming program year. We would like to hear your comments on how we should prioritize programs for the coming year and how we plan to spend CDBG funding.

A draft of the PY 2018 Annual Action Plan will be available for public review and comment beginning June 18, 2018 through July 17, 2018. The draft plan may be found on the City website www.sugarlandtx.gov and in the City Secretary Office, City of Sugar Land City Hall, 2700 Town Center Boulevard North, Suite 122, Sugar Land, Texas 77479.

In addition, the City will host a public hearing to further explain the CDBG process and solicit comments and feedback from residents concerning the proposed activities. Comments will be taken into consideration for any changes to the draft plan before submittal to HUD. All attendees are invited to speak on the subject of CDBG at the public hearing on:

Thursday, June 28, 2018

NON-STATE GOVERNMENT CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing -- The jurisdiction will affirmatively further fair housing, which means it will conduct an analysis of impediments to fair housing choice within the jurisdiction, take appropriate actions to overcome the effects of any impediments identified through that analysis, and maintain records reflecting that analysis and actions in this regard.

Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and implementing regulations at 49 CFR 24; and it has in effect and is following a residential antidisplacement and relocation assistance plan required under section 104(d) of the Housing and Community Development Act of 1974, as amended, in connection with any activity assisted with funding under the CDBG or HOME programs.

Drug Free Workplace -- It will or will continue to provide a drug-free workplace by:

1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
2. Establishing an ongoing drug-free awareness program to inform employees about –
 - a. The dangers of drug abuse in the workplace;
 - b. The grantee's policy of maintaining a drug-free workplace;
 - c. Any available drug counseling, rehabilitation, and employee assistance programs; and
 - d. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph 1;
4. Notifying the employee in the statement required by paragraph 1 that, as a condition of employment under the grant, the employee will –
 - a. Abide by the terms of the statement; and
 - b. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 4(b) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 4(b), with respect to any employee who is so convicted –
 - a. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
 - b. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1, 2, 3, 4, 5 and 6.

Anti-Lobbying -- To the best of the jurisdiction's knowledge and belief:

8. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
9. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
10. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction -- The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan -- The housing activities to be undertaken with CDBG, HOME, ESG, and HOPWA funds are consistent with the strategic plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968, and implementing regulations at 24 CFR Part 135.

Specific CDBG Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated housing and community development plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that provide decent housing, expand economic opportunities primarily for persons of low and moderate income. (See CFR 24 570.2 and CFR 24 part 570)

Following a Plan -- It is following a current consolidated plan (or Comprehensive Housing Affordability Strategy) that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

11. Maximum Feasible Priority - With respect to activities expected to be assisted with CDBG funds, it certifies that it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low and moderate income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include activities which the grantee certifies are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available);
12. Overall Benefit - The aggregate use of CDBG funds including section 108 guaranteed loans during program year(s) 2018, 2____, 2____, (a period specified by the grantee consisting of one, two, or three specific consecutive program years), shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period;
13. Special Assessments - It will not attempt to recover any capital costs of public improvements assisted with CDBG funds including Section 108 loan guaranteed funds by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

The jurisdiction will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108, unless CDBG funds are used to pay the proportion of fee or assessment attributable to the capital costs of public improvements financed from other revenue sources. In this case, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds. Also, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

14. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
15. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction;

Compliance With Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 USC 2000d), the Fair Housing Act (42 USC 3601-3619), and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of part 35, subparts A, B, J, K and R, of title 24;

Compliance with Laws -- It will comply with applicable laws.

Specific HOME Certifications

The HOME participating jurisdiction certifies that:

Tenant Based Rental Assistance -- If the participating jurisdiction intends to provide tenant-based rental assistance:

The use of HOME funds for tenant-based rental assistance is an essential element of the participating jurisdiction's consolidated plan for expanding the supply, affordability, and availability of decent, safe, sanitary, and affordable housing.

Eligible Activities and Costs -- it is using and will use HOME funds for eligible activities and costs, as described in 24 CFR § 92.205 through 92.209 and that it is not using and will not use HOME funds for prohibited activities, as described in § 92.214.

Appropriate Financial Assistance -- before committing any funds to a project, it will evaluate the project in accordance with the guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other Federal assistance than is necessary to provide affordable housing;

I, _____, Chief Executive Officer of Jurisdiction, certify that the local government will ensure the provision of the matching supplemental funds required by the regulation at 24 *CFR* 576.51. I have attached to this certification a description of the sources and amounts of such supplemental funds.

I further certify that the local government will comply with:

1. The requirements of 24 *CFR* 576.53 concerning the continued use of buildings for which Emergency Shelter Grants are used for rehabilitation or conversion of buildings for use as emergency shelters for the homeless; or when funds are used solely for operating costs or essential services.
2. The building standards requirement of 24 *CFR* 576.55.
3. The requirements of 24 *CFR* 576.56, concerning assurances on services and other assistance to the homeless.
4. The requirements of 24 *CFR* 576.57, other appropriate provisions of 24 *CFR* Part 576, and other applicable federal laws concerning nondiscrimination and equal opportunity.
5. The requirements of 24 *CFR* 576.59(b) concerning the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970.
6. The requirement of 24 *CFR* 576.59 concerning minimizing the displacement of persons as a result of a project assisted with these funds.
7. The requirements of 24 *CFR* Part 24 concerning the Drug Free Workplace Act of 1988.
8. The requirements of 24 *CFR* 576.56(a) and 576.65(b) that grantees develop and implement procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted with ESG funds and that the address or location of any family violence shelter project will not be made public, except with written authorization of the person or persons responsible for the operation of such shelter.
9. The requirement that recipients involve themselves, to the maximum extent practicable and where appropriate, homeless individuals and families in policymaking, renovating, maintaining, and operating facilities assisted under the ESG program, and in providing services for occupants of these facilities as provided by 24 *CFR* 76.56.
10. The requirements of 24 *CFR* 576.57(e) dealing with the provisions of, and regulations and procedures applicable with respect to the environmental review responsibilities under the National Environmental Policy Act of 1969 and related

authorities as specified in 24 *CFR* Part 58.

11. The requirements of 24 *CFR* 576.21(a)(4) providing that the funding of homeless prevention activities for families that have received eviction notices or notices of termination of utility services will meet the requirements that: (A) the inability of the family to make the required payments must be the result of a sudden reduction in income; (B) the assistance must be necessary to avoid eviction of the family or termination of the services to the family; (C) there must be a reasonable prospect that the family will be able to resume payments within a reasonable period of time; and (D) the assistance must not supplant funding for preexisting homeless prevention activities from any other source.
12. The new requirement of the McKinney-Vento Act (42 *USC* 11362) to develop and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent such discharge from immediately resulting in homelessness for such persons. I further understand that state and local governments are primarily responsible for the care of these individuals, and that ESG funds are not to be used to assist such persons in place of state and local resources.
13. HUD's standards for participation in a local Homeless Management Information System (HMIS) and the collection and reporting of client-level information.

I further certify that the submission of a completed and approved Consolidated Plan with its certifications, which act as the application for an Emergency Shelter Grant, is authorized under state and/or local law, and that the local government possesses legal authority to carry out grant activities in accordance with the applicable laws and regulations of the U. S. Department of Housing and Urban Development.

APPENDIX TO CERTIFICATIONS

Instructions Concerning Lobbying and Drug-Free Workplace Requirements

Lobbying Certification

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

Drug-Free Workplace Certification

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification.
2. The certification is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, HUD, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
4. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio stations).
5. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph three).
6. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant: Place of Performance (Street address, city, county, state, zip code) Check if there are workplaces on file that are not identified here. The certification with regard to the drug-free workplace is required by 24 CFR part 21.

7. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules: "Controlled substance" means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15); "Conviction" means a finding of guilt (including a plea of *nolo contendere*) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes; "Criminal drug statute" means a Federal or non-Federal

criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance; "Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including:

- a. All "direct charge" employees;
- b. all "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant; and
- c. temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Note that by signing these certifications, certain documents must be completed, in use, and on file for verification. These documents include:

1. Analysis of Impediments to Fair Housing
2. Citizen Participation Plan
3. Anti-displacement and Relocation Plan
