

**Lockwood, Andrews  
& Newnam, Inc.**  
A LEO A DALY COMPANY

November 22, 2019

Mr. Guillermo L. Salcedo  
Senior Engineering Manager  
City of Sugar Land Engineering Department  
2700 Town Center Blvd N.  
Sugar Land, TX 77479

Reference: **Central Drive Pond Outfall Modification and Oyster Creek Weir at Dulles  
Modification Project  
CIP Project No. DR1901  
Construction Contract Award Recommendation**

Mr. Salcedo:

We have evaluated the bids received on November 21, 2019 for the Central Drive Pond Outfall Modification and Oyster Creek Weir at Dulles Modification Project. Attached is a copy of the bid tabulation received on the project along with a comparison between the engineer's estimate and the bid tabulation.

A total of two (2) bids were submitted. The bids received were as follows:

NBG Constructors, Inc.	\$130,000.00
Leon's Concrete, LLC	\$195,700.00

LAN has reviewed the bid and feels the bid prices are appropriate for the work involved. Based on the contacted references for previous work experience, NBG Constructors, Inc. has demonstrated the capability of performing the quality of work required for this project. Therefore, we recommend the City of Sugar Land award the contract to NBG Constructors, Inc. based on their low bid of \$130,000.00.

If you have any questions or need additional information, please contact me at (713) 821-0269.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Mark Woodward'.

Mark Woodward, P.E., CFM  
Project Manager
