**RE: Engineer's Recommendation of Award of Construction Contract for Sugar Creek Country Club Storm Sewer Rehabilitation Project, CIP Project No. DR2004, City of Sugar Land, Fort Bend County, Texas**

Dear Mr. Salcedo:

Construction bids were received and formally opened at 11:00 a.m. on Thursday, October 22, 2020 for the above-referenced Project. A total of four (4) construction bids were received and opened.

A summary of the bid tabulation is below:

<u>Contractor</u>	<u>Total Amount Base Bid</u>	<u>Total Amount Alternative A</u>	<u>Total Amt. Base Bid &amp; Alternative A</u>
T Gray Utility & Rehab Co., LLC	\$ 378,125.00	\$ 29,750.00	\$ 407,875.00
Teamwork Construction Services	\$ 514,145.00	\$ 59,050.00	\$ 573,195.00
717 Construction Services, LLC	\$ 744,900.00	\$ 55,350.00	\$ 800,250.00
Aranda Industries, LLC	\$1,095,325.00	\$168,500.00	\$1,263,825.00

The bids were checked for completeness and mathematical errors. 717 Construction Services, LLC made a mathematical error; however, this error did not affect bidder status. T Gray Utility & Rehab Co., LLC is the apparent low bidder for the Project. We have worked with T Gray Utility & Rehab Co., LLC in the past and have consulted with their references.

We are recommending that the City of Sugar Land accept the construction bid received on the Project and enter into a construction contract with T Gray Utility & Rehab, LLC, for the Base Bid plus Alternative A in the total amount of \$407,875.00. Please feel free to contact me if you should have any questions or need additional information.

Sincerely,

**KALUZA, INC.**
