Notes:

Occasionally, Azteca changes the name of its licensed software as part of its ongoing process to improve and increase the functionality of the software. In the event the software licensed to the client changes in name, and/or improvements are made, Azteca will provide software with functionality that is similar to or with substantially the same or greater functionality of the originally licensed software, provided all current license fees have been paid.

Updates may not always include any release, option or future program that Azteca licenses separately. Updates are provided when available (as determined by Azteca). Azteca is under no obligation to develop any future programs or functionality. Any updates made available will be delivered to you, or made available to you for download. You shall be responsible for copying, downloading and installing the updates.
