- V. Additional Contract Documents

III. Standard Contractual Provisions.

A. Contractor's Services. The Contractor will provide to the City the services described in this Contract under the terms and conditions of this Contract.

B. Billing and Payment. The Contractor will bill the City for the services provided at intervals of at least 30 days, except for the final billing. The City will pay the Contractor for the services provided for in this Contract with current revenues available to the City, but all the City's payments to the Contractor, including the time of payment and the payment of interest on overdue amounts, are subject to the provisions of Chapter 2251 of the Government Code. The City is not liable to the Contractor for any taxes which the City is not liable by law, including state and local sales and use taxes (Section 151.309 and Title 3, Texas Tax Code) and federal excise tax (Subtitle D of the Internal Revenue Code). Accordingly, those taxes may not be added to any bill.

C. Termination Provisions.

(1) Unless terminated earlier as allowed by this Contract, this Contract terminates:

(a) On the termination date, if any, specified in the General Information in Part 1, but the obligation of a party to complete a contract requirement pending on the date of termination survives termination; or

(b) If there is no termination date specified in the General Information in Part 1, the Contract terminates when both parties have completed all their respective obligations under the Contract.

(2) The City's city manager may terminate this Contract during its term at any time for any reason by giving written notice to the Contractor not less than five business days prior to the termination date, but the City will pay the Contractor for all services rendered in compliance with this Contract to the date of termination.

(3) If the City's city council does not appropriate funds to make any payment for a fiscal year after the City's fiscal year in which the Contract becomes effective and there are no proceeds available for payment from the sale of bonds or other debt instruments, then the Contract automatically terminates at the beginning of the first day of the successive fiscal year. (Section 5, Article XI, Texas Constitution)

D. Liability and Indemnity. Any provision of the Contract is void and unenforceable if it: (1) limits or releases either party from liability that would exist by law in the absence of the provision; (2) creates liability for either party that would not exist by law in the absence of the provision; or (3) waives or limits either party's rights, defenses, remedies, or immunities that would exist by law in the absence of the provision.

E. Assignment. The Contractor may not assign this Contract without the City's prior

written consent.

F. Law Governing and Venue. This Contract is governed by the law of the State of Texas and a lawsuit may only be prosecuted on this Contract in a court of competent jurisdiction located in or having jurisdiction in Fort Bend County, Texas.

G. Entire Contract. This Contract represents the entire Contract between the City and the Contractor and supersedes all prior negotiations, representations, or contracts, either written or oral. This Contract may be amended only by written instrument signed by both parties.

H. Independent Contractor. The Contractor will perform the work under this Contract as an independent contractor and not as an employee of the City. The City has no right to supervise, direct, or control the Contractor or Contractor's officers or employees in the means, methods, or details of the work to be performed by Contractor.

I. Dispute Resolution Procedures. If either party disputes any matter relating to this Contract, the parties agree to try in good faith, before bringing any legal action, to settle the dispute by submitting the matter to mediation before a third party who will be selected by agreement of the parties. The parties will each pay one-half of the mediator's fees.

J. Attorney's Fees. Should either party to this Contract bring suit against the other party for any matter relating to this Contract, neither party will seek or be entitled to an award of attorney's fees or other costs relating to the suit.

K. Severability. If a court finds or rules that any part of this Contract is invalid or unlawful, the remainder of the Contract continues to be binding on the parties.

L. Contractual Limitations Period. Any provision of the Contract that establishes a limitations period that does not run against the City by law or that is shorter than two years is void. (Sections 16.061 and 16.070, Texas Civil Practice and Remedies Code)

M. Conflicting Provisions. If there is a conflict between a provision in the Contractor's Additional Contract Documents and a provision in the remainder of this Contract, the latter controls.

N. Copyright. Any original work (the Work), including any picture, video, music, brochure, writing, trademark, logo or other work created by the Contractor for the use of the City under this Contract is a "work made for hire," as defined by federal copyright law. If the Work is not by law a "work made for hire," the Contractor by execution of this Contract assigns to the City all of its rights to the Work, including the copyright. The City, as the author and owner of the copyright to the Work, may alter, reproduce, distribute, or make any other use of the Work as it deems appropriate.

O. Standard of Care for Architects and Engineers. Services must be performed with the professional skill and care ordinarily provided by competent licensed engineers or registered

architects practicing in the same or similar locality and under the same or similar circumstances and professional license.

P. Disclosure of Interested Persons for Council-Approved Contracts. Contracts that require City Council approval, such as contracts that exceed \$50,000, are subject to the requirements of Section 2252.908, Tex Gov't Code. Under the provisions of this statute:

(1) The City may not enter into a contract with a business entity that requires Council approval unless the business entity submits a disclosure of interested persons at the time the business entity submits a signed contract to the City;

(2) A disclosure of interested parties must be submitted on a form prescribed by the Texas Ethics Commission (Commission) that includes:

(a) A list of each interested party for the contract of which the contractor business entity is aware, an interested party being a person who has a controlling interest in the business entity or who actively participates in facilitating or negotiating the terms of the contract, including a broker, intermediary, adviser, or attorney for the business entity; and

(b) The signature of the authorized agent of the contracting business entity, acknowledging that the disclosure is made under oath and under penalty of perjury.

The Commission has approved a Certificate of Interested Persons form, which must be filled out, signed and notarized by the Contractor and submitted to the City at the time of execution of this Contract, along with the certification of filing generated from the Commission's website at <https://www.ethics.state.tx.us/tec/1295-Info.htm> . The Certificate of Interested Persons form is available on the Commission's website and the Contractor must follow the Commission's filing process adopted pursuant to the statute.

Q. Compliance with Laws. The Contractor must comply with the federal, state, and local laws, rules and regulations applicable to the Project and its services under this Contract.

R. Prohibition on Contracts with Companies Boycotting Israel. Contracts for goods and services are subject to the requirements of Section 2270.002, Tex Gov't Code (H.B. 89). Under the provisions of this statute, the City may not enter into a contract with a company for goods and services unless the contract contains a written verification from the company that it:

- (1) does not boycott Israel; and
- (2) will not boycott Israel during the term of the contract.

The City has approved a verification form, which must be filled out and signed by the Contractor and submitted to the City at the time of execution of this Contract.

1. PAYMENT AND TAXES- Payment shall be made net 30 days from date of invoice. Carrier reserves the right to require cash payment or other alternative method of payment prior to shipment or completion of work if Carrier determines, in its sole discretion, that Customer or Customer's assignee's financial condition at any time does not justify continuance of the net 30 days payment term. In addition to the price, the Customer shall also pay Carrier any taxes or government charges arising from this Agreement.

2. EXTRAS- Equipment, parts or labor in addition to those specified in this Agreement will be provided upon receipt of Customer's written authorization and paid for as an extra and subject to the terms of this Agreement.

3. RETURNS- No items will be accepted for return without prior written authorization. Returned goods may be subject to a restocking charge. Special order and non-stock items cannot be returned.

4. SHIPMENT- All shipments shall be F.O.B. shipping point, freight prepaid and allowed to the job site. Shipment dates quoted are approximate. Carrier does not guarantee a particular date for shipment or delivery.

5. PARTIAL SHIPMENT- Carrier shall have the right to ship any portion of the equipment included in this Agreement and invoice Customer for such partial shipment.

6. DELAYS- In the event Carrier is delayed in manufacturing, shipping or delivery by causes beyond the control and without the fault or negligence of Carrier, including but not restricted to acts of God, acts of a public enemy, acts of government, acts of terrorism, fires, floods, epidemics, quarantine restrictions, freight embargoes, supplier delays, strikes, or labor difficulties, Carrier agrees to notify Customer in writing as soon as practicable of the causes of such delay and Carrier shall further be entitled to an extension of the time equivalent to the duration of any such delay and a reasonable time in which to recover from said delay to resume production.

7. WARRANTY- Carrier warrants that all equipment manufactured by Carrier Corporation and all Carrier equipment, parts or components supplied hereunder will be free from defects in material and workmanship. Carrier shall at its option repair or replace, F.O.B. point of sale, any equipment, part or component sold by Carrier and determined to be defective within one (1) year from the date of initial operation or eighteen (18) months from date of shipment, whichever is earlier. Carrier does not warrant products not manufactured by Carrier Corporation, but it does pass on to Customer any available manufacturer's warranty for those products. Carrier warrants that all service provided by Carrier hereunder shall be performed in a workmanlike manner. In the event any such service is determined to be defective within ninety (90) days of completion of that service, Carrier shall at its option re-perform or issue a credit for such service. Carrier's obligation to repair or replace any defective equipment, parts or components during the warranty period shall be Customer's exclusive remedy. Carrier shall not be responsible for labor charges for removal or reinstallation of defective equipment, parts or components, for charges for transportation, handling and shipping or refrigerant loss, or for repairs or replacement of such equipment, parts or components, required as a consequence of faulty installation, misapplication, vandalism, abuse, exposure to chemicals, improper servicing, unauthorized alteration or improper operation by persons other than Carrier. THIS WARRANTY IS GIVEN IN LIEU OF ALL OTHER WARRANTIES, EXPRESS, IMPLIED OR STATUTORY INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

8. WORKING HOURS- All services performed under this Agreement including major repairs, are to be provided during Carrier's normal working hours unless otherwise agreed.

The customer will provide, in writing, prior to the start of a job, a signed statement regarding the absence or presence of asbestos for any job where the building or the equipment to be serviced is older than 1981. Should this document state that no asbestos is present, the customer will also provide in writing the method used to determine the absence of asbestos.

Carrier is not responsible for repairs, replacements, alterations, additions, adjustments, repairs by others, unscheduled calls or emergency calls, any of which may be necessitated by negligent operation, abuse, misuse, prior improper maintenance, vandalism, obsolescence, building system design, damage due to freezing weather, chemical/electrochemical attack, corrosion, erosion, deterioration due to unusual wear and tear, any damage related to the presence of mold, fungi, mildew, or bacteria, damage caused by power reductions or failures or any other cause beyond Carrier's control. Carrier shall not be required to perform tests, install any items of equipment or make modifications that may be recommended or directed by insurance companies, government, state, municipal or other authority. However, in the event any such recommendations occur, Carrier, at its option, may submit a proposal for Customer's consideration in addition to this Agreement. Carrier shall not be required to repair or replace equipment that has not been properly maintained.

12. EQUIPMENT CONDITION & RECOMMENDED SERVICE (Service Contracts only) – Upon the initial scheduled operating and/or initial annual stop inspection, should Carrier determine the need for repairs or replacement, Carrier will provide Customer in writing an 'equipment condition' report including recommendations for corrections and the price for repairs in addition to this Agreement. In the event Carrier recommends certain services (that are not included herein or upon initial inspection) and if Customer does not elect to have such services properly performed in a timely fashion, Carrier shall not be responsible for any equipment or control failures, operability or any long-term damage that may result. Carrier at its option will either continue to maintain equipment and/or controls to the best of its ability, without any responsibility, or remove such equipment from this Agreement, adjusting the price accordingly.

13. PROPRIETARY RIGHTS (Service Contracts only): During the term of this Agreement and in combination with certain services, Carrier may elect to install, attach to Customer equipment, or provide portable devices (hardware and/or software) that shall remain the personal proprietary property of Carrier. LIMITATION OF LIABILITY- Under no circumstances shall Carrier be liable for any incidental, special or consequential damages, including loss of revenue, loss of use of equipment or facilities, or economic damages based on strict liability or negligence. Carrier shall be liable for damage to property, other than equipment provided under this Agreement, and to persons, to the extent that Carrier's negligent acts or omissions directly contributed to such injury or property damage. Carrier's maximum liability for any reason (except for personal injuries) shall consist of the refunding of all moneys paid by Customer to Carrier under this Agreement.

15. CANCELLATION- Customer may cancel this Agreement only with Carrier's prior written consent, and upon payment of reasonable cancellation charges. Such charges shall take into account costs and expenses incurred, and purchases or contract commitments made by Carrier and all other losses due to the cancellation including a reasonable profit.

16. CUSTOMER TERMINATION FOR CARRIER NON-PERFORMANCE – Customer shall have the right to terminate this Agreement for Carrier's non-performance provided Carrier fails to cure such non-performance within 30 days after having been given prior written notice of the non-performance. Upon early termination or expiration of this Agreement, Carrier shall have free access to enter Customer locations to disconnect and remove any Carrier personal proprietary property or devices as well as remove any and all Carrier-owned parts, tools and personal property. Additionally, Customer agrees to pay Carrier for all incurred but unamortized service costs performed by Carrier including overheads and a reasonable profit.

17. CARRIER TERMINATION – Carrier reserves the right to discontinue its service any time payments have not been made as agreed or if alterations, additions or repairs are made to equipment during the term of this Agreement by others without prior agreement between Customer and Carrier.

18. CLAIMS- Any suits arising from the performance or nonperformance of this Agreement, whether based upon contract, negligence, and strict liability or otherwise, shall be brought within one (1) year from the date the claim arose.

19. U.S. GOVERNMENT PROCUREMENTS- The components, equipment and services provided by Carrier are "commercial items" as defined in Section 2.101 of the Federal Acquisition Regulations ("FAR"), and the prices of such components, equipment and services are based on Carrier's commercial pricing policies and practices (which do not consider any special requirements of U.S. Government cost principles, FAR Part 31, or any similar procurement regulations). As such, Carrier will not agree to provide or certify cost or pricing data, nor will Carrier agree to comply with the Cost Accounting Standards (CAS). In addition, no federal government procurement regulations, such as FARs or DFARs, shall apply to this Agreement except those regulations expressly accepted in writing by Carrier.

20. HAZARDOUS MATERIALS- Carrier is not responsible for the identification, detection, abatement, encapsulating or removal of asbestos, products or materials containing asbestos, similar hazardous substances, or mold, fungi, mildew, or bacteria. If Carrier encounters any asbestos or other hazardous material while performing this Agreement, Carrier may suspend its work and remove its employees from the project, until such material and any hazards associated with it are abated. The time for Carrier's performance shall be extended accordingly, and Carrier shall be compensated for the delay.

21. WASTE DISPOSAL - Customer is wholly responsible for the removal and proper disposal of waste oil, refrigerant and any other material generated during the term of this Agreement.

22. SUPERSEDEDURE, ASSIGNMENT AND MODIFICATION- This Agreement contains the complete and exclusive statement of the agreement between the parties and supersedes all previous or contemporaneous, oral or written, statements. Customer may assign this Agreement only with Carrier's prior written consent. No modification to this Agreement shall be binding unless in writing and signed by both parties.

23. CUSTOMER CONSENT- Customer consents and agrees that Carrier may, from time to time, publicize Carrier related projects with Customer, including the value of such projects, in all forms and media for advertising, trade, and any other lawful purposes.

24. FOR WORK BEING PERFORMED IN CALIFORNIA: Contractors are required by law to be licensed and regulated by the Contractors' State License Board which has jurisdiction to investigate complaints against contractors if a complaint regarding a patent act or omission is filed within four years of the date of the alleged violation. A complaint regarding a latent act or omission pertaining to structural defects must be filed within 10 years of the date of the alleged violation. (See Attached)

ADDENDUM TO CITY OF SUGAR LAND STANDARD CONTRACT FOR GENERAL SERVICES (the "Addendum")

BETWEEN Carrier Corporation ("Contractor") AND City of Sugar Land ("City")

Dated: 10/5/17

We (both Contractor and City) understand and agree that the terms and conditions of this Addendum shall supplement the Contract between us and that in the event of a conflict between this Addendum and the Contract, this Addendum shall prevail.

1) PAYMENT

City shall pay Contractor net 30 days from the date of Contractor's invoice.

2) WARRANTY

Contractor warrants that all equipment manufactured by Carrier Corporation and all Contractor equipment, parts or components supplied hereunder will be free from defects in material and workmanship. Contractor shall at its option repair or replace, F.O.B. point of sale, any equipment, part or component sold by Contractor and determined to be defective within one (1) year from the date of initial operation or eighteen (18) months from date of shipment, whichever is earlier. Contractor does not warrant products not manufactured by Carrier Corporation, but it does pass on to City any transferrable manufacturer warranties for those products. Contractor warrants that all service provided by Contractor hereunder shall be performed in a workmanlike manner. In the event any such service is determined to be defective within ninety (90) days of completion of that service, Contractor shall at its option re-perform or issue a credit for such service, Contractor's obligation to repair or replace any defective equipment, parts or components during the warranty period shall be City's exclusive remedy. Contractor will indemnify and hold harmless City for property damage and personal injury to the proportionate extent caused, occasioned, or contributed to by the direct fault or negligence, by act or omission of Contractor, its subcontractors, agents, or employees in the performance of this Contract. Such indemnity is conditioned upon the City providing prompt written notice of written communications relating to any claim of indemnification covered hereunder to Contractor along with copies of such communications.

4) INSURANCE REQUIREMENTS

Contractor will name City as an additional insured for general liability and automobile liability, but only with respect to liability arising out of Contractor's work for the additional insured. Contractor will waive its right of subrogation unless any loss, action or claim is caused by the sole negligence of the additional insured. Contractor's insurance will be primary for onsite work it performs, unless any loss, action or claim is caused by the negligence of others.

The insurance coverages required and limits set forth in Exhibit B-1 are deemed to be the actual values required under the Contract. All references to "minimums" or "minimum limits" of insurance are hereby deleted.

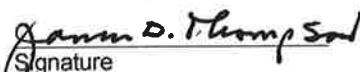

5) DELAYS
