CARRIER CORPORATION
TERMS AND CONDITIONS OF SALE – EQUIPMENT AND/OR SERVICE

1. PAYMENT AND TAXES- Payment shall be made net 30 days from date of invoice. Carrier reserves the right to require cash payment or other alternative method of payment prior to shipment or completion of work if Carrier determines, in its sole discretion, that Customer or Customer's assignee's financial condition at any time does not justify continuance of the net 30 days payment term. In addition to the price, the Customer shall also pay Carrier any taxes or government charges arising from this Agreement.

2. EXTRAS- Equipment, parts or labor in addition to those specified in this Agreement will be provided upon receipt of Customer's written authorization and paid for as an extra and subject to the terms of this Agreement.

3. RETURNS- No items will be accepted for return without prior written authorization. Returned goods may be subject to a restocking charge. Special order and non-stock items cannot be returned.

4. SHIPMENT- All shipments shall be F.O.B. shipping point, freight prepaid and allowed to the job site. Shipment dates quoted are approximate. Carrier does not guarantee a particular date for shipment or delivery.

5. PARTIAL SHIPMENT- Carrier shall have the right to ship any portion of the equipment included in this Agreement and invoice Customer for such partial shipment.

6. DELAYS- In the event Carrier is delayed in manufacturing, shipping or delivery by causes beyond the control and without the fault or negligence of Carrier, including but not restricted to acts of God, acts of a public enemy, acts of government, acts of terrorism, fires, floods, epidemics, quarantine restrictions, freight embargoes, supplier delays, strikes, or labor difficulties, Carrier agrees to notify Customer in writing as soon as practicable of the causes of such delay and Carrier shall further be entitled to an extension of the time equivalent to the duration of any such delay and a reasonable time in which to recover from said delay to resume production.

7. WARRANTY- Carrier warrants that all equipment manufactured by Carrier Corporation and all Carrier equipment, parts or components supplied hereunder will be free from defects in material and workmanship. Carrier shall at its option repair or replace, F.O.B. point of sale, any equipment, part or component sold by Carrier and determined to be defective within one (1) year from the date of initial operation or eighteen (18) months from date of shipment, whichever is earlier. Carrier does not warrant products not manufactured by Carrier Corporation, but it does pass on to Customer any available manufacturer's warranty for those products. Carrier warrants that all service provided by Carrier hereunder shall be performed in a workmanlike manner. In the event any such service is determined to be defective within ninety (90) days of completion of that service, Carrier shall at its option re-perform or issue a credit for such service. Carrier's obligation to repair or replace any defective equipment, parts or components during the warranty period shall be Customer's exclusive remedy. Carrier shall not be responsible for labor charges for removal or reinstallation of defective equipment, parts or components, for charges for transportation, handling and shipping or refrigerant loss, or for repairs or replacement of such equipment, parts or components, required as a consequence of faulty installation, misapplication, vandalism, abuse, exposure to chemicals, improper servicing, unauthorized alteration or improper operation by persons other than Carrier. **THIS WARRANTY IS GIVEN IN LIEU OF ALL OTHER WARRANTIES, EXPRESS, IMPLIED OR STATUTORY INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.**

8. WORKING HOURS- All services performed under this Agreement including major repairs, are to be provided during Carrier's normal working hours unless otherwise agreed.

- Permit access to Customer's site, and use of building services including but not limited to: water, elevators, receiving dock facilities, electrical service and local telephone service.
- Keep areas adjacent to equipment free of extraneous material, move any stock, fixtures, walls or partitions that may be necessary to perform the specified service.
- Promptly notify Carrier of any unusual operating conditions.

The customer will provide, in writing, prior to the start of a job, a signed statement regarding the absence or presence of asbestos for any job where the building or the equipment to be serviced is older than 1981. Should this document state that no asbestos is present, the customer will also provide in writing the method used to determine the absence of asbestos.

Carrier is not responsible for repairs, replacements, alterations, additions, adjustments, repairs by others, unscheduled calls or emergency calls, any of which may be necessitated by negligent operation, abuse, misuse, prior improper maintenance, vandalism, obsolescence, building system design, damage due to freezing weather, chemical/electrochemical attack, corrosion, erosion, deterioration due to unusual wear and tear, any damage related to the presence of mold, fungi, mildew, or bacteria, damage caused by power reductions or failures or any other cause beyond Carrier's control. Carrier shall not be required to perform tests, install any items of equipment or make modifications that may be recommended or directed by insurance companies, government, state, municipal or other authority. However, in the event any such recommendations occur, Carrier, at its option, may submit a proposal for Customer's consideration in addition to this Agreement. Carrier shall not be required to repair or replace equipment that has not been properly maintained.

12. EQUIPMENT CONDITION & RECOMMENDED SERVICE (Service Contracts only) – Upon the initial scheduled operating and/or initial annual stop inspection, should Carrier determine the need for repairs or replacement, Carrier will provide Customer in writing an 'equipment condition' report including recommendations for corrections and the price for repairs in addition to this Agreement. In the event Carrier recommends certain services (that are not included herein or upon initial inspection) and if Customer does not elect to have such services properly performed in a timely fashion, Carrier shall not be responsible for any equipment or control failures, operability or any long-term damage that may result. Carrier at its option will either continue to maintain equipment and/or controls to the best of its ability, without any responsibility, or remove such equipment from this Agreement, adjusting the price accordingly.

13. PROPRIETARY RIGHTS (Service Contracts only)- During the term of this Agreement and in combination with certain services, Carrier may elect to install, attach to Customer equipment, or provide portable devices (hardware and/or software) that shall remain the personal proprietary property of Carrier. Carrier shall be liable for damage to property, other than equipment provided under this Agreement, and to persons, to the extent that Carrier's negligent acts or omissions directly contributed to such injury or property damage. Carrier's maximum liability for any reason (except for personal injuries) shall consist of the refunding of all moneys paid by Customer to Carrier under this Agreement.

15. CANCELLATION- Customer may cancel this Agreement only with Carrier's prior written consent, and upon payment of reasonable cancellation charges. Such charges shall take into account costs and expenses incurred, and purchases or contract commitments made by Carrier and all other losses due to the cancellation including a reasonable profit.

16. CUSTOMER TERMINATION FOR CARRIER NON-PERFORMANCE – Customer shall have the right to terminate this Agreement for Carrier's non-performance provided Carrier fails to cure such non-performance within 30 days after having been given prior written notice of the non-performance. Upon early termination or expiration of this Agreement, Carrier shall have free access to enter Customer locations to disconnect and remove any Carrier personal proprietary property or devices as well as remove any and all Carrier-owned parts, tools and personal property. Additionally, Customer agrees to pay Carrier for all incurred but unamortized service costs performed by Carrier including overheads and a reasonable profit.

17. CARRIER TERMINATION – Carrier reserves the right to discontinue its service any time payments have not been made as agreed or if alterations, additions or repairs are made to equipment during the term of this Agreement by others without prior agreement between Customer and Carrier.

18. CLAIMS- Any suits arising from the performance or nonperformance of this Agreement, whether based upon contract, negligence, and strict liability or otherwise, shall be brought within one (1) year from the date the claim arose.

19. U.S. GOVERNMENT PROCUREMENTS- The components, equipment and services provided by Carrier are "commercial items" as defined in Section 2.101 of the Federal Acquisition Regulations ("FAR"), and the prices of such components, equipment and services are based on Carrier's commercial pricing policies and practices (which do not consider any special requirements of U.S. Government cost principles, FAR Part 31, or any similar procurement regulations). As such, Carrier will not agree to provide or certify cost or pricing data, nor will Carrier agree to comply with the Cost Accounting Standards (CAS). In addition, no federal government procurement regulations, such as FARs or DFARs, shall apply to this Agreement except those regulations expressly accepted in writing by Carrier.

20. HAZARDOUS MATERIALS- Carrier is not responsible for the identification, detection, abatement, encapsulating or removal of asbestos, products or materials containing asbestos, similar hazardous substances, or mold, fungi, mildew, or bacteria. If Carrier encounters any asbestos or other hazardous material while performing this Agreement, Carrier may suspend its work and remove its employees from the project, until such material and any hazards associated with it are abated. The time for Carrier's performance shall be extended accordingly, and Carrier shall be compensated for the delay.

21. WASTE DISPOSAL - Customer is wholly responsible for the removal and proper disposal of waste oil, refrigerant and any other material generated during the term of this Agreement.

22. SUPERSEDE, ASSIGNMENT AND MODIFICATION- This Agreement contains the complete and exclusive statement of the agreement between the parties and supersedes all previous or contemporaneous, oral or written, statements. Customer may assign this Agreement only with Carrier's prior written consent. No modification to this Agreement shall be binding unless in writing and signed by both parties.

23. CUSTOMER CONSENT- Customer consents and agrees that Carrier may, from time to time, publicize Carrier related projects with Customer, including the value of such projects, in all forms and media for advertising, trade, and any other lawful purposes.

A complaint regarding a latent act or omission pertaining to structural defects must be filed within 10 years of the date of the alleged violation. Any questions concerning a contractor may be referred to the Registrar, Contractors' State License Board, P.O. Box 26000, Sacramento, California 95826.
