III. Standard Contractual Provisions.

A. Contractor's Services. The Contractor will provide to the City the services described in this Contract under the terms and conditions of this Contract.

B. Billing and Payment. The Contractor will bill the City for the services provided at intervals of at least 30 days, except for the final billing. The City will pay the Contractor for the services provided for in this Contract with current revenues available to the City, but all the City's payments to the Contractor, including the time of payment and the payment of interest on overdue amounts, are subject to the provisions of Chapter 2251 of the Government Code. The City is not liable to the Contractor for any taxes which the City is not liable by law, including state and local sales and use taxes (Section 151.309 and Title 3, Texas Tax Code) and federal excise tax (Subtitle D of the Internal Revenue Code). Accordingly, those taxes may not be added to any bill.

C. Termination Provisions.

(1) Unless terminated earlier as allowed by this Contract, this Contract terminates:

(a) On the termination date, if any, specified in the General Information in Part 1, but the obligation of a party to complete a contract requirement pending on the date of termination survives termination; or

(b) If there is no termination date specified in the General Information in Part 1, the Contract terminates when both parties have completed all their respective obligations under the Contract.

(2) The City's city manager may terminate this Contract during its term at any time for any reason by giving written notice to the Contractor not less than five business days prior to the termination date, but the City will pay the Contractor for all services rendered in compliance with this Contract to the date of termination.

(3) If the City's city council does not appropriate funds to make any payment for a fiscal year after the City's fiscal year in which the Contract becomes effective and there are no proceeds available for payment from the sale of bonds or other debt instruments, then the Contract automatically terminates at the beginning of the first day of the successive fiscal year. (Section 5, Article XI, Texas Constitution)

D. Liability and Indemnity. Any provision of the Contract is void and unenforceable if it: (1) limits or releases either party from liability that would exist by law in the absence of the provision; (2) creates liability for either party that would not exist by law in the absence of the provision; or (3) waives or limits either party's rights, defenses, remedies, or immunities that would exist by law in the absence of the provision.

E. Assignment. The Contractor may not assign this Contract without the City's prior written consent.

F. Law Governing and Venue. This Contract is governed by the law of the State of Texas and a lawsuit may only be prosecuted on this Contract in a court of competent jurisdiction located in or having jurisdiction in Fort Bend County, Texas.

G. Entire Contract. This Contract represents the entire Contract between the City and the Contractor and supersedes all prior negotiations, representations, or contracts, either written or oral. This Contract may be amended only by written instrument signed by both parties.

H. Independent Contractor. The Contractor will perform the work under this Contract as an independent contractor and not as an employee of the City. The City has no right to supervise, direct, or control the Contractor or Contractor's officers or employees in the means, methods, or details of the work to be performed by Contractor.

I. Dispute Resolution Procedures. If either party disputes any matter relating to this Contract, the parties agree to try in good faith, before bringing any legal action, to settle the dispute by submitting the matter to mediation before a third party who will be selected by agreement of the parties. The parties will each pay one-half of the mediator's fees.

J. Attorney's Fees. Should either party to this Contract bring suit against the other party for any matter relating to this Contract, neither party will seek or be entitled to an award of attorney's fees or other costs relating to the suit.

K. Severability. If a court finds or rules that any part of this Contract is invalid or unlawful, the remainder of the Contract continues to be binding on the parties.

L. Contractual Limitations Period. Any provision of the Contract that establishes a limitations period that does not run against the City by law or that is shorter than two years is void. (Sections 16.061 and 16.070, Texas Civil Practice and Remedies Code)

M. Conflicting Provisions. If there is a conflict between a provision in the Contractor's Additional Contract Documents and a provision in the remainder of this Contract, the latter controls.

N. Copyright. Any original work (the Work), including any picture, video, music, brochure, writing, trademark, logo or other work created by the Contractor for the use of the City under this Contract is a "work made for hire," as defined by federal copyright law. If the Work is not by law a "work made for hire," the Contractor by execution of this Contract assigns to the City all of its rights to the Work, including the copyright. The City, as the author and owner of the copyright to the Work, may alter, reproduce, distribute, or make any other use of the Work as it deems appropriate.

O. Standard of Care for Architects and Engineers. Services must be performed with the professional skill and care ordinarily provided by competent licensed engineers or registered

architects practicing in the same or similar locality and under the same or similar circumstances and professional license.

P. Disclosure of Interested Persons for Council-Approved Contracts. Contracts that require City Council approval, such as contracts that exceed \$50,000, are subject to the requirements of Section 2252.908, Tex Gov't Code. Under the provisions of this statute:

(1) The City may not enter into a contract with a business entity that requires Council approval unless the business entity submits a disclosure of interested persons at the time the business entity submits a signed contract to the City;

(2) A disclosure of interested parties must be submitted on a form prescribed by the Texas Ethics Commission (Commission) that includes:

(a) A list of each interested party for the contract of which the contractor business entity is aware, an interested party being a person who has a controlling interest in the business entity or who actively participates in facilitating or negotiating the terms of the contract, including a broker, intermediary, adviser, or attorney for the business entity; and

(b) The signature of the authorized agent of the contracting business entity, acknowledging that the disclosure is made under oath and under penalty of perjury.

The Commission has approved a Certificate of Interested Persons form, which must be filled out, signed and notarized by the Contractor and submitted to the City at the time of execution of this Contract, along with the certification of filing generated from the Commission's website at <https://www.ethics.state.tx.us/tec/1295-Info.htm> . The Certificate of Interested Persons form is available on the Commission's website and the Contractor must follow the Commission's filing process adopted pursuant to the statute.

Q. Compliance with Laws. The Contractor must comply with the federal, state, and local laws, rules and regulations applicable to the Project and its services under this Contract.

R. Prohibition on Contracts with Companies Boycotting Israel. Contracts for goods and services are subject to the requirements of Section 2270.002, Tex Gov't Code (H.B. 89). Under the provisions of this statute, the City may not enter into a contract with a company for goods and services unless the contract contains a written verification from the company that it:

(1) does not boycott Israel; and

(2) will not boycott Israel during the term of the contract.

The City has approved a verification form, which must be filled out and signed by the Contractor and submitted to the City at the time of execution of this Contract.
