Re: Brooks Lake Diversion/Amil Gates Replacement
Recommendation of Award
RPS Project No. 0150.035.000

Dear Mr. Salcedo:

Competitive Sealed Proposals were received by the City of Sugar Land for the referenced project on November 9, 2017. RPS reviewed the bid forms submitted by the proposers and tabulated a bid summary. The summary was sent to the City of Sugar Land via email on November 10, 2017. Attached is a copy of the tabulation.

Based on the bid price submitted and our general knowledge of their capabilities, we recommend the City award this contract to NBG Constructors. As you know, RPS was not part of the proposal evaluation committee for this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ralph E. Cox", written over a light blue horizontal line.
